Our Mission:

The mission of the School District of Denmark is to provide the highest level of educational programming to ensure student success within school and beyond.

Our Vision:

Learning transfers to life beyond the School District of Denmark experience, enabling each student to flourish as a responsible citizen in the global community.

Maintaining the Current Level of Operational Referendum Support

Our students are excelling and engaging in great courses, programs and co-curricular opportunities in the School District of Denmark! As indicated by the Department of Public Instruction state report card, the District is "Exceeding Expectations"! Our great families, excellent staff and community support lead to our students' success.

In 2008, 2014 and again in 2017 our community supported a multi-year operational referendum that allowed the District to maintain educational programs, address building maintenance, enhance security, and upgrade technology. Due to this support, we have been able to maintain appropriate class sizes and provide our students with excellent opportunities in and outside of the classroom. The District has also been able to adequately maintain our facilities and add several safety features, including a secure entrance at the High School, a new roof on the Elementary School and an upcoming new roof on the Middle School.

This year, the funding from the 2017 operational referendum will sunset. In response to our community, the School Board adopted a resolution to place a referendum question on the April ballot to renew funding for 3 years at the amount of \$925,000 per year.

The requested amount of operational referendum funding is the same as in 2017. Without this funding, the District's overall budget would be decreased by approximately 5.7% next school year and beyond. Retaining the same amount of funding will allow us to maintain our current level of programs and continue our school services to our students. These funds will also enable us to remain responsive to meet our student's needs in the areas of safety, technology and facilities.

In 2017, 69% of voters supported the operational referendum on election day

2020 Referendum & 2020-21 School Budget Impact On My Taxes

If the operational referendum passes on April 7, 2020, the 2020-2021 projected mill rate for school district funding will be approximately \$9.04 per \$1,000 of property value. The average state mill rate for 2019-2020 is 9.37. The estimated cost increase for a home valued at \$100,000 is \$22 impact per year or \$1.83 per month.

This amount may decrease due to state aid and other factors that are not yet known. If you have any questions, please contact Janelle Marotz, Business Manager, at 863-4006 or marotzj@denmark.k12.wi.us or Luke Goral, District Administrator, at 863-4004 or gorall@denmark.k12.wi.us.

Referendum Informational Meeting Monday, March 23

On behalf of the Board of Education and myself, we would like to invite you to the high school Performing Arts Center for an informational meeting beginning at 6:30 PM on March 23. To start the meeting, we will be presenting information pertaining to our past referendums and giving detailed information on our upcoming operating referendum, District budget, facility maintenance plans, and District programs and success. After the presentation, we will spend time answering questions and listening to feedback.

SCHOOL BOARD ELECTION APRIL 7, 2020

by Luke Goral, District Administrator

There is one school board position up for election. Incumbent Paula Larsen is seeking re-election unopposed for a three-year term.

I would like to thank all of our School Board Members for their time and interest in serving our students, taxpayers, and District.

Denmark School District Spring Break

March 6 - Last day of school before break

Classes Resume - March 16

OPEN ENROLLMENT 2020-21

Open Enrollment, also known as School Choice, allows parents to submit an application for their child to attend school in a district other than the one in which they live. Denmark welcomes applicants to the open enrollment program.

For online information, please see Denmark's website www.denmark.k12.wi.us click "Open Enrollment" under Quick Links on the left menu.

Application dates for the 2020-21 school year are February 3 - April 30, 2020. A separate application must be submitted for each child. Current open enrolled students do not need to reapply.

Please contact Kristi Buhr with any questions at (920) 863-4217 or email: buhrk@denmark.k12.wi.us.

Project Based Learning Opportunities in Denmark

"I like to think of traditional school as being a blank canvas with a beautiful border, where students are expected to paint the perfect picture within the border. At the Community School, we are able to paint our own picture, with no borders or confines to limit us." This is a quote from a graduate of the Denmark Community School and embodies the mission and opportunities available to students who attend.

Are you looking for a new way to learn? Do you want to help drive your own education? Is an exploration based, independent approach your learning style? Do you like hands on activities that take place in a variety of locations? If you answered yes to any of these questions, read on! There is a project-based learning school right here in Denmark! The Denmark Community School is a small, innovative option for students in grades 6-12.

If this sounds like a good fit for you, come and visit us! The Denmark Community School is excited to be hosting school visitations for interested students and parents! We are located upstairs at the Denmark Middle School. Applications are being accepted from February 1 through April 30, 2020.

What makes the Denmark Community School unique? Denmark Community School is a cutting-edge learning community where students actively drive their own education by pursuing their passions. Our students become purposeful adults by integrating creativity, critical thinking, collaboration, and communication into standards-based academic pursuits. Utilizing the latest technology, students participate in both student and teacher led opportunities to put the tools they have available into practice, expanding their minds, and furthering their education. However, the learning opportunities don't stop with technology...students also have the opportunity to complete projects that get their feet wet and hands dirty through our FIELD program for experiential environmental science. They also experience the world first hand as they travel to locations across Wisconsin for outdoor pursuits, cultural immersion, and first hand research.

Interested students and/or parents should contact Denmark Community School staff to set up a shadow. This is an opportunity for students to learn more about the Denmark Community School. Students will have an opportunity to shadow a Community School student and experience what a typical day would be like. Community School students will describe the learning process and some of their projects, and guests will have the opportunity to see a student in action as a project is presented.

All of our students have chosen to attend the Denmark Community School. We hope that interested students will take advantage of this opportunity to visit and will take the time to ask them why. Their answers may change the way they think about learning.

If you have questions please contact the Denmark Community School at (920) 863-4153, or abarayc@denmark.k12.wi.us We look forward to meeting with interested students and parents to share all of the exciting, student led opportunities available at the Denmark Community School!

Denmark Senior Named *All-Star* Dancer

Senior **Corinne Charapata**, is the first Varsity Denmark Dancer to successfully earn the state's highest individual scholastic dance honor! Saturday, February 1, 2020, she competed at the Wisconsin State Dance Competition and successfully auditioned onto the 2020 D3 WI All-State Dance Team. Corinne is one of eleven students to earn this honor for the 2019-2020 school year. Previously this season Corinne earned 2nd/35 at the 2020 Kaukauna Dance Invitational and the coveted All-State Finalist at WACPC Eastern Regionals.

She plans to continue dancing on her college dance team and begin instructing dance in the community; leading the next generation of dancers! (Photo by Ambrosius Studios)

Corinne Charapata

Cole Tenor and **Ben Klaubauf** work on making a mounting plate for the engine on the race car they are building. Race day is Monday, May 11th at Road America in Elkart Lake

Denmark Leos Club

The Denmark Leos Club members have been keeping busy helping out the community by performing countless good deeds. From making pumpkin pies for Thanksgiving and writing Valentine's Day cards for senior citizens, the Leos have made a big impact on the community.

The first Leos event took place this past summer at the Lions Day Parade, when Leos members sold raffle tickets and helped sell food to raise money for the various Lions programs.

In order to help make the Autumn season more enjoyable, the Leos delivered apples to the senior citizens of Denmark. Members drove to various homes, greeting community members and making their day. The day before Thanksgiving, members woke up bright and early to bake pies for community members. Mrs Albers' classroom was filled with the aroma of pumpkin pies as members baked about 60 pies. Then the students went to the Harmony House to decorate the senior citizens' doors in preparation for the upcoming holiday season. Greeting the senior citizens was as enjoyable for the members as it was for the senior citizens.

When Christmas time came around, Leos members went to Natural Beauty to assist community members by packaging their poinsettias.

The Leos kept up their efforts to make the community a better place, by making Valentine's Day cards for the senior citizens of Denmark.

The Leos Club will keep working on their goal to make the Denmark Community a better place to live, by continuing to do good deeds for everyone.

Denmark Middle School and High School

Donation to Denmark Middle School

The Denmark American Legion Post 363 presented a \$300 donation to Denmark Middle School as a Thank You for all the events and activities we host for local veterans. The legion presented us a check and a lovely plaque acknowledging their appreciation of the nice partnership we have with them.

Front row left to right: is Lucas Jordan (HS/MS Choir) Bernie Kurth, Amy Gleeson (DMS Principal) Mike Parmentier, Terry Rueckert, Erica Goral (National Junior Honor Society Advisor)

Back row left to right is: Bill Dennee (DMS Band) Harry Hopkins, John Birds, Wes Prochazka, Bob DeGrave and Katie Dowling (Student Council Advisor)

Exploring Animals in Agriculture Classes

On Friday, February 14th, the Denmark High School and Middle School Agriculture students were able to witness the miracle of pig birth (farrowing). Kathy and Luke Vanderkinter brought in one of their gilts and a farrowing crate to help students witness and understand the swine industry and farrowing process. Students were able to observe first hand the process and care of both the mother and piglets. "Stephanie" had 10 little piglets. In the coming days, students will learn about the care and management of the piglets as they are given shots and cared for.

Sting Cancer Makes 100 Chemo Bags For Holy Family Hospital in Manitowoc

The Denmark High School Sting Cancer members participated in making chemo care packages this year. These packages consisted of care products such as lotion, mouth wash, gloves, tissues, chapstick, and activity books. They also contained an uplifting card written by our members and a gas gift card to help the patients cover a small amount of the costs they acquire traveling to appointments. Students delivered the chemo bags to Holy Family Memorial Hospital's cancer unit in February.

The Sting Cancer members found joy and happiness in helping these patients with their battle against Cancer. Holy Family's staff felt gratitude and sincerely thanked these members for everything they do!

Denmark Middle School Technology and Engineering Education getting "Cutting Edge"

Denmark Middle School Technology and Engineering Students are very excited to use the new CNC router. The CNC router (pictured here) allows students to engrave and/or cut out designs that they create on the computer. Students have been learning how to use 3D CAD software to design their projects prior to creating them in the shop.

Annual Denmark Sting Cancer Walk

~Great Things Happening in our District~

On January 17th, the Oconto community suffered a great loss when a mother and her three children were killed in a tragic fire. The Denmark Boys Basketball team, scheduled to play against Oconto High School on February 3rd, raised money during the week and presented the Oconto HS Athletic Director with a \$750 check that evening to put towards helping the family. An additional \$500 was raised with a "miracle minute" at halftime.

Students at the
Early Childhood Center (ECC)
participate in
Flashlight February
for their monthly reading celebration.

On Friday, February 14th, the IBA Champions took on the Denmark High School staff during enhancement. Students donated money or food in order to attend the game. The school raised \$616 while collecting over 170 non-perishable items to be donated to the Denmark Community Cupboard. DHS staff ruled the day with a win. [#onwarddenmark](#)

~Great Things Happening in our District~

At the Elementary School, we have a small group of 4th and 5th grade students who are trained to help keep the peace in our building! The week of Feb 10th, they were assigned to classrooms to read a book or show a video with an anti-bullying message. They also lead a discussion following the presentation. We are lucky to have students committed to the well-being of everyone.

It was "READ" day at the Elementary School on Wednesday February 12th! Each month we are celebrating reading to make a difference in unique ways. This month each class was paired with a buddy class to read February themed books using laser finger lights! Reading makes you "shine"! Featured in photos are reading buddies from Ms. Drewery's 2nd grade & Mrs. Brunette's 5th grade.

The 4K families have been busy this winter. Our families got together for a Giving Celebration where we made snowman decorations to give to the residents at the Scandinavian Village Assisted Living Facility.

**Summer School
Registration
Starts April 1st
at 11:00 pm!**

Summer School Registration is just around the corner! Please view our Summer School website, <https://www.denmark.k12.wi.us/district/2013ss.cfm>. Near the end of March, we will have many helpful links there, including our Course Handbook, Timetable, a FAQ sheet, and instructions on how to register.

Registration will open Wednesday, April 1st at 11:00 am and will close on Wednesday, April 22nd at 3:00 pm. **NO LATE REGISTRATIONS WILL BE ACCEPTED.** All course registrations must occur within the above timeline (4/1-4/22), including Session One (June Session), High School Weight Training, Kickstart Volleyball Camp, and Session Two (August Session).

Please keep in mind you will need an Infinite Campus Portal in order to register your students for Summer School. Please contact Janet Kinjerski at (920) 863-4041 or kinjersj@denmark.k12.wi.us to create a portal.

We will be sending out School Messenger email reminders as we get closer. Any questions, please call us at (920) 863-4050. We look forward to seeing you this summer!

This past February, some of our 4K families attended "Guys Game Night". The children brought dad, grandpa, uncle, or favorite male in their life and a board game from home. They played games and enjoyed pretzels and root beer.

~Great Things Happening in our District~

Team Regional Champions- The Wrestling Team earned a Team Regional Championship on February 15th for the first time since 2004. The team competed at team sectionals on February 18th. They advanced to the finals by defeating Oconto Falls 42-29, however, Denmark came up just short of a state berth with a 43-27 loss to Wrightstown.

State Qualifiers- The Wrestling Team had a school record 11 wrestlers competing at individual sectionals on February 22nd. Three of those wrestlers punched their ticket to Madison and will compete at the WIAA Individual State Wrestling Tournament.

Ethan Schwartz and **Gabe Wertel** earned sectional championships while **Reece Piontek** finished 2nd.

Congratulations!

How Do Students Qualify for Free/Reduced Meals?

Household size and income determine your status for free/reduced meal benefits. Eligibility for foster children is based on the children's income alone, not the household income where they reside.

Only one application is needed per household (available in every school office or online in the Infinite Campus Portal) and can be submitted to your school office or sent to Kristi Buhr, 450 N. Wall St., Denmark, WI 54208. Parents or guardians dissatisfied with the ruling can discuss the decision with Kristi Buhr at (920) 863-4217. A formal appeal can be requested by phone or in writing to Katie Rabenhorst, School Board President, 4792 R. Kane Lane, Denmark, WI 54208 (920) 819-9786.

The School District of Denmark participates in the National School Lunch & Breakfast Program and makes these available to students for a fee.

Students may also bring their own meal to school to be eaten in the school's cafeteria.

~Great Things Happening in our District~

Mary Handrich - Teacher of Distinction!

Out of 2,300 nominations, our AG teacher and FFA advisor Mary Handrich was selected as one of the top 48 Teachers of Distinction. We would like to congratulate Ms. Handrich on her selection and thank her for being such a great teacher, mentor and person!

Denmark FFA has an all-new parliamentary procedure demonstration team this year! Team members included **Lilly Kaminski, Erin Van Pay, Hannah Nelsen, Lashawna Vogel, Emma Phillips, and Mark Wanek** (not pictured is alternate, **Jonathan Hoesly**). The team was coached by Ms. Handrich along with members of last year's national semifinalist team. Team members placed 1st at the District 26 contest and move on to the Sectional Contest on March 31st, hosted by Denmark FFA. (Plaque presented by **Joe Schleis**)

The 8th-grade Quiz Bowl team placed 1st over Brillion FFA at the District 26 contest. The team will compete again on March 31st at the Section 9 contest. Team members include **Henry Pahlow, Dylan Propson, Aiden Nelsen, Morgan Brice, and Elisha Vogel**. (Plaque presented by **Joe Schleis**)

Community Connection Page

This Community Connection page is for those community organizations or non-profits that would like to get a special message out to all the residents of the School District of Denmark. Please keep the message as brief as possible. If you have a message that you would like placed in the next newsletter, send it to Joy Frelich at frelichj@denmark.k12.wi.us.

If the content is appropriate for the District newsletter, it will be printed.

Thank You! Thank You! Thank You!

Thank you to all who participated in any way with the Fall Food Drive for the Denmark and Maribel Community Cupboards.

Your abundant generosity is making a difference for the Cupboards as they serve many area families in need each month!

Generosity
changes everything

Calling All Teens!

Come be a part of something new and exciting in the Denmark Community - the **Denmark Youth Initiative**, sponsored in part by the Green Bay Packers Foundation! Work alongside other area teens on projects of your choosing that will make a lasting

impact in our community! Learn from community members, share your ideas, and build your leadership skills! For more information on the Initiative or how you can help, please contact Lori Wagner, Denmark Neighborhood Partners Community Connector at (920) 863-2738 or by email at lwagner@goodwillncw.org.

Pizza! Pizza!

Join Denmark Boy Scout Troop
1052 at Pizza Ranch,
2206 Main Street, Green Bay on
March 16th from 4-8:00 pm.

This is a community impact fundraising event with 10% of each guest check going to the scout troop.

*Let the scouts serve you as you enjoy
a good meal and a night out!*

Healthy Teeth, Healthy Kids! COMING SOON TO DENMARK SCHOOLS! No-Cost Dental Care to Kids in Need!

Oral Health Partnership (OHP) is a nonprofit organization dedicated to improving the oral health of children and youth in and around Brown County. OHP provides access to dental services and oral health education to children on medical assistance, or who are uninsured and without financial resources. Our goal - get kids established in a prevention, maintenance and education program with a cleaning every six months.

We Accept Children Who:

- Are 0-10 years of age
- Have ForwardHealth, Medicaid or a BadgerCare card
- Have no private dental insurance or dental home
- If uninsured, must be eligible for free and reduced lunch in school

OHP's traveling school-based program offers preventative and restorative services to children four days each week, right in their schools. Dental Services are brought directly to kids in need, eliminating the barriers of parent work schedules, transportation, and other factors that can prevent a child from getting needed care.

For more information, please call **Cindy Weller, RN, Denmark School Nurse** at (920) 863-4032 or **Lindsey Reckelberg, Denmark Social Worker** at (920) 863-4024, or visit OHP website www.smilegb.org.

~Great Things Happening in our District~

Denmark High School Presents:

Divine Stella Devine

April 24, 25, and 26

Stella Devine is the aging star of the popular Ritz Theatre. She and her fellow company of actors are preparing for the epic play "Civil War Darling's," written by the theatre's acclaimed playwright in residence, Micole, who has written starring roles for Stella for 20 years. Ginger, a "sweet Southern belle" from Georgia, visits a rehearsal to watch her favorite star up close. She adores Stella, she idolizes Stella, she worships Stella and, most of all, she's there to steal Stella's starring role. Pretending to be a struggling waitress who's trying to raise money to get back home, Ginger lies and cons her way into the part written for the famous star.

Meanwhile, Billy, an unscrupulous newspaper reporter looking for a scoop, would love nothing more than to catch Stella throwing a tyrannical fit so he can sensationalize her in a national paper. But in the midst of collecting facts, Billy and his girlfriend, Loeta, uncover Ginger's evil ploy and set out to uncover her diabolical scheme. Throw in Brad and Chad, a set of twins played by the same person; Trevor, a bad actor (with a bad toupee) who thinks he really is fighting the Civil War; a dim-witted beauty of the stage; and an overbearing stage mother, and you have a fun, delightful comedy that's different than anything you've ever seen before!

Spring Art Events Stimulate Creativity

The Art Department would like to invite you to our spring events.

Art in the Atrium will take place on Sunday, March 29th in collaboration with the Band Extravaganza. The show will feature artwork from all grade levels and will highlight the artwork which had been on display during the Wisconsin Art Education Association Regional and State Youth Art Month Shows.

Art & Blooms will be held in the atrium and plaza on Saturday, May 16th. The exhibit will be open from 9:00 am until 12:00 pm. Enjoy the exhibit which includes a variety of amazing artwork from our K-12 students. During the event the following activities will be taking place: face painting, flower pot decorating, rock painting, art games and planting flowers. The exhibit is free to view and the activities cost \$15 for the first child and \$10 for each additional child (while supplies last).

For questions, please call Sarah Fredrikson, High School Art Teacher, 863-4271, Pam Stoll, Middle School Art Teacher, 863-4105 or Holly Borchert, ECC and Elementary Art Teacher, 863-4094.

Band Extravaganza

"An Afternoon at the Golden Globes"

Sunday, March 29, 2020

*******ONE SHOW ONLY*******

2:00 pm

Denmark High School Gold Gym

Join the students of the Denmark Middle and High School Bands as we perform music from Golden Globe winning movies and TV shows. You'll hear highlights from hit movies like *Indiana Jones*, *The Incredibles*, *Top Gun*, *Forrest Gump*, *Star Wars*, and the theme from the TV favorite, *Friends*.

As always, you're able to drop off your non-perishable food donations for the Denmark/Maribel Community Cupboards.

Cash donations will be collected to help support our Summer Camp Scholarship Program.

There will be a raffle for prizes from great local businesses.

Hansen's pizza will be sold after the concert
\$8 each, 4 for \$30, or case (12) \$85

See you there!

Denmark Middle School & High School Bands 1st Annual Mattress Fundraiser

Saturday, April 25, 2020

**Denmark High School Purple Gym
10:00 am - 4:30 pm**

There will be 20 plus sets on display and a team of experts on hand to answer any questions you may have. This is a **no pressure** sale, just stop in and take a look.

School Bus Drivers Needed!

AM Route starting at \$32

PM Route starting at \$32

Monthly Attendance Bonus \$100 - \$200

Your young children may ride with you!

Extra Curricular Trips (sports) starting at \$13.50 hr

Contact: James Schad, Lamers School Bus Manager

NOTICE OF NONDISCRIMINATION POLICY

It is the policy of the School District of Denmark that no person may be denied admission to any public school or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational or other program or activity because of the person's gender, color, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, gender orientation, physical, mental, emotional or learning disability.

Attention: Non-Residents of the School District of Denmark

This newsletter is a service provided to all residents of the School District of Denmark. The most effective and affordable process to circulate this newsletter throughout our community is to use a saturation mailing which occasionally picks up a few streets in the postal route areas of non-residents. Avoiding a few non-residents from receiving this newsletter is difficult and costly. Our efforts to communicate with our resident families is important. Thank you for understanding.
