Our Mission:

The mission of the School District of Denmark is to provide the highest level of educational programming to ensure student success within school and beyond.

Our Vision:

Learning transfers to life beyond the School District of Denmark experience, enabling each student to flourish as a responsible citizen in the global community.

PROUD TO BE A DENMARK VIKING

I believe much of what you see in this newsletter will speak for itself, but with that being said our students, staff and community have a lot to be proud of this year. One of my proudest moments this year was when our students, staff and community came together to host and display our patriotism in the pouring rain for the Loyalty Day Parade. I also can't be more proud of our senior class and their accomplishments, leadership and volunteerism. Thank you to our staff and community for supporting them in their K-12 journey.

Our community survey is complete and the data has been presented to the Board of Education. You can review the highlights on page 2 and view all the survey results by going to the Denmark School District Website and clicking on Facility Planning Information. The Board of Education will be reviewing and could take action on the Operational Referendum Resolution and the Facility Referendum Resolution no later than August 29th to have them on the ballot for November.

This summer we have 3 projects being completed in conjunction with our normal maintenance and cleaning. We are replacing the elevators at the elementary school and at the high school due to the inability to get parts and make repairs. The original 1964 high school Culinary classroom is getting a face lift and is being transformed into an open concept flexible kitchen. Lastly, the track is getting a fresh coat of rubber to maintain and to help get the maximum life out of the track. Have a great summer and thank you for your support of the Denmark School District!

2021—2022 Staff Retirements

We thank you for your dedication and we wish you all the best in your future endeavors.

DENMARK SCHOOL DISTRICT

District SATISFACTION

Would Recommend

The Denmark School District enjoys a very high level of satisfaction from all key subgroups who took the survey; ranking in the 99th percentile among all Wisconsin districts!

PROJECT DETAILS

The proposed facilities plan would close the ECC building and consolidate all students onto one campus. The plan would:

- Reduce traffic congestion around the neighborhood
- Provide a dedicated, secure entrance to better monitor and control visitor access
- Build a dedicated cafeteria and multi-purpose gym for students in grades 4K through 5.
- Provide classrooms and support areas specifically designed for our youngest learners

Facilities Survey Results Summary

This spring, a facilities survey was sent to all households in the Denmark School District community to gather feedback about funding support for two potential referendum questions for the November 2022 ballot. **Thank You** for taking the survey!

Although the District has been able to significantly update facilities to provide better spaces for our students, staff, and community, needs at the **Early Childhood Center (ECC)** still need to be addressed through a capital referendum. In addition, the existing operational referendum needs to be renewed. The survey asked for feedback on these two questions, as well as overall satisfaction with the District.

71%

Support for \$925,000 Operational Referendum

The operational referendum would likely be supported by 71% of survey respondents.

70%

Support for \$29.5M Referendum to Replace the Early Childhood Center

The capital referendum to close the ECC building and consolidate all students onto one campus would likely be supported by 70% of survey respondents.

Tax Impact: BOTH Questions

**Capital Referendum: \$29.5M plus
Operational Referendum: \$950,000/yr**

Property Value

Estimated Annual
Increase

\$100,000

\$14.00

The plan to replace the ECC and renew the operational referendum would result in an estimated tax mill rate increase of **\$0.14 per \$1,000 of property value.**

The mission of the Denmark School District is to provide the highest level of educational programming to ensure student success within school and beyond.

CONGRATS 2022 GRADUATES

The Denmark High School Commencement Ceremony for the Class of 2022 was held on June 5, 2022 at 1 PM in the high school field house. During the ceremony, which was overseen by student master of ceremonies Leah Phillips, student addresses were provided by class Valedictorian Isabella Kafka, Salutatorians Eloise Scheppman and Alec Bergelin, Class President Haley Schott, class officers Leah Phillips, Eloise Scheppman, Chelsea Allen, and Lucas Rabas, and class representative Sanibel Harper. Mrs. Mary Handrich, 2022 Greater Green Bay Chamber of Commerce Golden Apple Award winner, was also a guest speaker at the ceremony. Our school community would like to congratulate the Class of 2022 on all of their accomplishments while at Denmark High School and wish them the very best in their futures! Onward Denmark!

Gear Up for Summer Reading!

Summer is coming and so is the Brown County Library's Summer Reading Challenge, June 11 - August 15, 2022. Summer Reading is a fun program designed to engage kids, teens, and adults in reading for enjoyment.

Again, this year, the Summer Reading Program is being offered digitally - making it easier than ever to participate! (A paper version is also available). Kids and teens can read to earn book prizes, water park passes, and a voucher for two tickets to a Green Bay Packers baseball game! By completing activities, kids and teens will earn entries into the grand prize drawings for VISA gift cards. Adults can earn tickets to enter a drawing for a variety of prize pack excursions to enjoy locally.

The Summer Reading Challenge is powered by Beanstack and online participants can track their reading and activity progress through the website or Beanstack Tracker app available through the App Store or Google Play. Go to ***browncountylibrary.beanstack.org*** to sign up beginning June 10.

Join the library for the following programs held at the Veteran's Memorial Park Shelter:

Thursdays | 10:30 am Family Storytime Fun for all ages!

Thursday, June 16 | 10:30 am Summer Reading Kickoff Party with Library Mascot, Rover Reader! Enjoy stories about parties and puppies! Stay to take a photo with Rover. Attend this event and be entered into a drawing to win a Family Plus Zoo Membership to the N.E.W. Zoo! (An \$80 value)

Thursday, June 30 | 10:00 - 11:00 am Dog Man Party! (Ages 7-10) Draw a comic-book panel, pin the badge on Dog Man - the star of Dav Pilkey's graphic novel series, test your sleuthing skills and more. Replaces regular storytime.

Thursday, July 14 | 10:00 - 11:00 am Zoomobile Rolls into Denmark (All ages)
Meet animals from the N.E.W. Zoo up close! Replaces regular storytime.

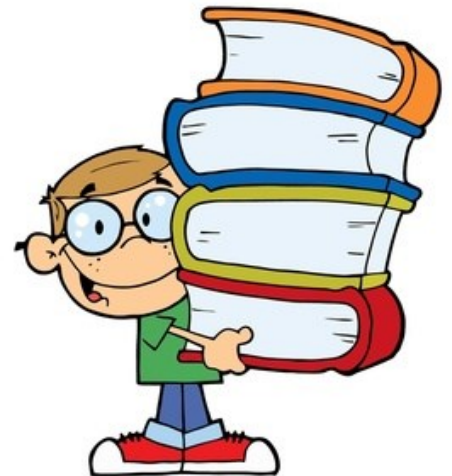

Thursday, August 4 | 10:30 am Bruce the Bear. Meet Bruce the Bear, star of Ryan T. Higgins's picture books when he joins us for stories and dancing! Stay to shake a paw and take a photo with Bruce.

Bookmobile Rolls into Denmark

Visit the Library's Bookmobile at the Farmers Market site on Railroad Avenue across from the Main Street Market.

Mondays, June 13 | 3:00 - 4:00 pm Wild About Reading Kick-Off. Enjoy fun activities for all ages. Attend this event and be entered into a drawing to win a Family Plus Zoo Membership to the N.E.W. Zoo! (An \$80 value)

Mondays June 13, July 11 and August 19 | 4:00 - 6:00 pm Denmark Community Stop. Climb aboard the Bookmobile to check out items, pick up holds, apply for a library card, request items for an upcoming stop, and more!

Stay current with all library news by visiting ***browncountylibrary.org***, or by following the library on Facebook and Instagram

~Congratulations to our Spring Sports~

As we wrap up the 2022 spring sports seasons, we can not be more proud of all of our athletes, coaches and fans! We have seen so many great performances on the diamond, field and track. Our baseball team won the Northeastern Conference Title to make it back to back! They currently are 26-3 and will be vying for the honor of being back to back Division 2 State Champions! Our track and field team had three members qualify for the State Track Meet in LaCrosse. Phillip Buhr for discus, Donovan Short for long jump (4th place) and Simon Alexander for the 100m (6th place), 200m (3rd place) and the 400m (6th place) dash respectively. Congratulations to all of our student athletes and coaches for another remarkable season!

2022 Varsity Baseball Team

Row 1 (L to R)- Drake Derricks, Joshua Gajeski, Tanner Grenier.
Row 2- John Wertel, Eli Kapinos, Brooke Pearson, Sawyer Podnar, Addyson Heezen, Nolan Perry, Berta Ferrer, Izaak Dittmer. Row 3- Coach Blake Derricks, Owen DeGrand, Grant Schroeder, Hayden Konkol, Coach Bill Miller, Kenneth Satori, Abraham Kapinos, Rheis Johnson, Coach Luke Kraschnewski. Row 4- Jaycob Dittmer, Joshua Dvorak, Lucas Miller, Jay Wallerius, Scott Flanigan, Ethan Osvak

2022 Track and Field

Row 1 (L to R) Eloise Scheppman, Amber Kittell, Mary Rider, Hailey Brantmeier, Alexis Thomas, Bailey Hazaert Row 2- Jacob DeBaker, Gavin Bradley, Noah Antolec, Donovan Brady, Brock Liddicoat, Ethan Bergelin, Scott Flanigan, Calvin Lamack, Andrew Demmin, Kooper Scriven, Joshua Rider. Row 3- Coach Beverley Leiterman, Camden Yttre, Brandon Chada, Mark Wanek, Ryan Bradley, Donovan Short, Phillip Buhr, Brady Olsen, Simon Alexander, Brian Sloma, Coach Noah Bielinski. Row 4- Haley Schott, Krystal McAuly, Madeline Duquette, Lily LeBresh, Danica Nowak, Lydia Tremel, Calysta Tielens, Olivia Lamack. Not Pictured- Gabe Noth, Aiden Nelsen

2022 Girls Soccer Team

Row 1 (L to R)- Brie Kapinos, Elaina Vannieuwenhoven, Kendall Ruttner, Maggie Carley, Nea Foerster, Ivy Wavrunek. Row 2- Megan Soquet, Emma Watzka, Emily Plagenz, Madison Mancheski, Ellyse Kelley, Faith Vogel, Reese Welsing, Lilly Kaminski, Rachel Schuessler, Hailey Wheeler. Row 3- Coach Travis Lange, Julia Ledden, Natalie Otradovec, Hannah Nelsen, Regan Cavanaugh, Gracie Hermans, Elisha Vogel, Zoey Wavrunek, Navaeh Schmidt, Coach Ron Cavil, Coach Kevin Kaminski

2022 Boys Golf Team

Row 1 (L to R)- Matthew Goral, Casey Ducat, Noah Bonlander, Caleb Kane, Owen Nys, Owen Johnson, Alexander Mancheski. Row 2- Coach Mark Hagenbach, Quinn Kaminski, Ethan Schroeder, Maxwell Larsen, Nathan Lannbrecht, Lucas Rabas, Jonathan Hoesly, Elijah Shefchik

2022 Varsity Softball Team

Row 1 (L to R) Audrey Baugnet, Miranda Johaneck, Macey Mleziva, Payton Larsen, Emma Olsen, Hannah Kittell, Olivia Allen. Row 2- Coach Todd O'Brien, Dakota Brice, Ashlyn Schultz, Tara Dellemann, Tayler Chvala, Amber Johaneck, Gabby Goral, Coach Darren Derricks. Row 3- Grace Paider, Abby Johnson, Olivia Ullman, Kate Buresh, Megan Johnson, Coach Alysa Dufrane

Who is in my community?

The Kindergarten students learned about what a community is. They explored different career options and learned about ways that businesses and community helpers make our town run. Our local Denmark businesses worked with Kindergarten staff to allow students to see first hand what they do in our community. They visited **Kaleidoscope Dance**, **AOT Yoga Studio**, **Double Down Restaurant**, **FOX 11 News**, and the **Village Police Officers**.

Students also enjoyed many classroom visits from parents and relatives to learn about more community helper roles.

Kindergarten Staff would like to thank all local businesses that donated their time and supplies to teach our future little workers. Denmark is a great place to be a part of!

TOM PEASE CONCERT AT THE ECC TO CELEBRATE THE WEEK OF THE YOUNG CHILD

Kindergarten students celebrated good behavior and academic growth with a trip to the park for a picnic and play!

be

8TH GRADE PROMOTION CEREMONY

CONGRATULATIONS STUDENTS
AND BEST OF LUCK IN HIGH SCHOOL!

NATIONAL HONOR SOCIETY NEWS

Denmark National Junior Honor Society inducted 16 members for the 2021-22 school year.

The Denmark National Junior Honor Society held a pet supply collection for the Green Bay Humane Society. This will accompany a monetary donation that was raised through a bake sale put on by NJHS and Student Council during Showcase Night at DMS.

DENMARK CHAPTER OF WINGS OVER WISCONSIN HOST ANNUAL KIDS FISHING EVENT

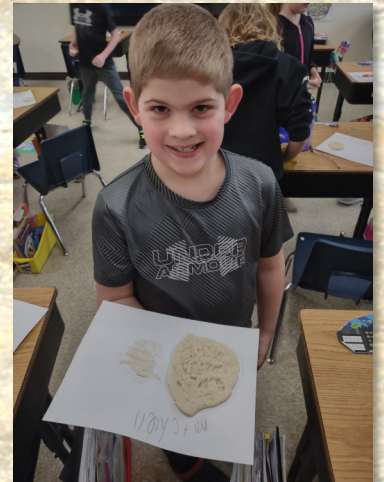

For over ten years the chapter has generously worked to introduce all students to the joys of fishing. This year our sixth graders had an opportunity to go fishing. They began the day by making sure students understood the responsibilities of water stewardship so fishing will be available for generations to come. After a tasty lunch provided by the chapter and their supporters, the students got to fish in the chapter's stocked ponds. At the end of the day, each child goes home with a fishing pole to continue to enjoy fishing.

The sixth-grade thanks Wings Over Wisconsin for their continued generosity year after year.

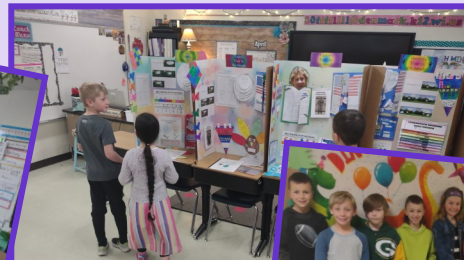

MAKING FOSSILS

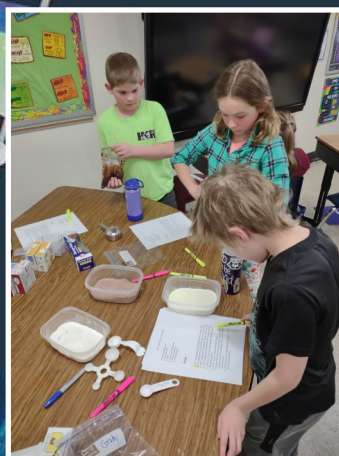

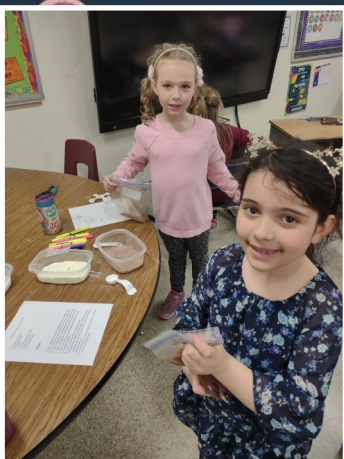

THE ELEMENTARY STUDENTS HAD A FUN EXPERIMENT OF MAKING THEIR OWN FOSSILS AND LEARNING ALL ABOUT THEM!

ELEMENTARY SCHOOL DISCOVERY FAIR

The elementary students learned about space and the planets and how the astronauts live in space. They made space food (astronaut pudding) and ate it like the astronauts did.

STING CANCER WALK 2022

This year's StingCancer walk was a huge success! Thank you to over 200 people who attended our event. Bill Jartz did an amazing job as our Master of Ceremonies and Denmark's very own Nick Nesvacil was our guest speaker. Nick's life story is remarkable and we are so thankful he was able to come and share it. Our silent auction was awesome and a lot of people went home with great baskets. Thank you again to all who participated and helped throughout our event, because of you, we are able to help so many people in our community who are affected by cancer.

"Together, we can Sting Cancer!"

FUEL UP TO PLAY 60

On April 29th, the 5th grade Fuel Up to Play 60 leaders were able to tour the Rod and Sue Leiterman Dairy Farm. The students had a blast because they were able to snuggle with a 1 hour old calf, go down into the milking parlor, learn how manure is "recycled", watch a delivery truck fill the feed containers and so much more. We had a nice small group, so the students were able to really see the inner workings of a dairy farm and they had some great questions for the Leiternmans. BelGioioso donated a cheese snack for us to enjoy on our way back to school.

The 8th grade students from DMS student council and NJHS participated in a leadership field trip. The day included the ropes course at the NEW Zoo and an escape room.

Patroller of the Year

Every year AAA asks for schools with safety patrols to nominate a student for “Patroller of the Year.” Each state selects a winner who has demonstrated good leadership, academics, and volunteerism. The nominee also has to write an essay explaining how being a safety patrol has helped them become a better leader. The state winner goes on where AAA National would recognize one outstanding National Patroller of the year, who has demonstrated exemplary leadership qualities. This year for the first time, we had 2 patrollers very deserving, and submitted both Mollie Goral (right) and Brynlee Vann (left) as applicants for “Patroller of the Year.” Unfortunately, neither of these girls were chosen as the Wisconsin winner, but Mollie did come in 2nd.

DENMARK READERS ARE LEADERS

Congratulations to the 5th grade team called **"THE BOOKIE BUNCH"** (Mollie Goral, Ellie Gorzlaneyk, and Shirley Windorff) for winning the ***Battle of the Books Championship*** versus the **"GAS GIVERS"** (Gavin Bohn, Alexander Wessley, and Steven Warpinski).

It was a superior display of title knowledge and authors by both teams in one of the closest matches we have ever had! Battling in an exciting challenge with a final score of 87-77.

Way to go, awesome readers.....READ ON!!!

A big thank you to all the teachers who helped support the **51 students** who participated in this worthwhile 5th grade reading program!

Ellie, Mollie, Shirley, Steven, Gavin, and Alexander.

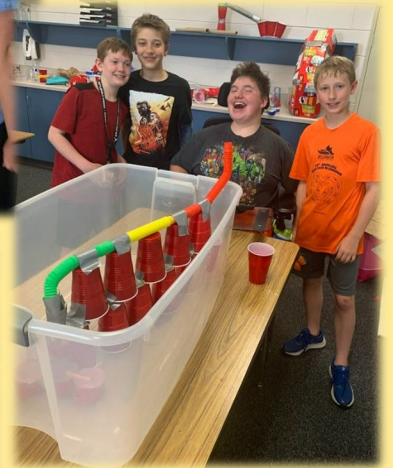

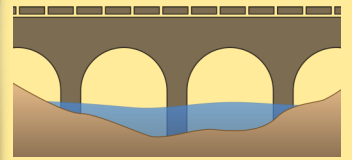

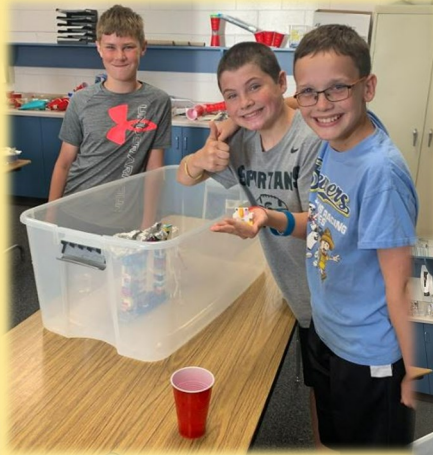

Ellie, Mollie, and Shirley.

Aqueducts

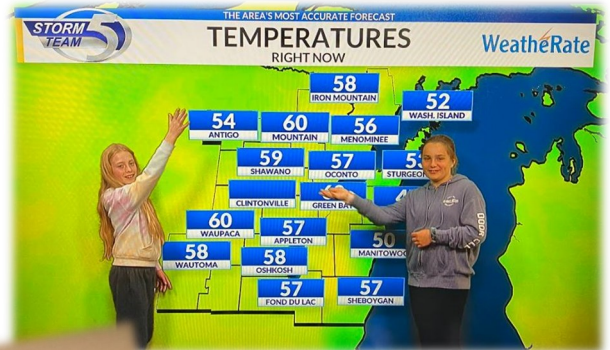

As the school year came to a close, the students did not have enough time to fully research Rome and its civilization, but they were able to try their hands at creating a functioning aqueduct. The goal was to move water from a single location to three different locations. It was great to see how creative students can be.

There were a lot of successful aqueducts, learning, and fun had by all!

LIGHTS CAMERA ACTION

THE 5TH GRADE DAILY BUZZ MORNING ANNOUNCEMENT SHOW WENT TO WFRV AND WIXX TO TOUR THE STUDIOS. THE KIDS LEARNED A LOT, AND EVEN GOT TO HAVE SOME AIR TIME GIVING THE WEATHER AND WAVING TO THE CAMERAS.

The DHS Bands presented their Spring Concert on Monday, May 16th. The program featured a variety of exciting and challenging music for both the concert band and symphonic band, including a jazz concerto "Rhapsody in Blue", featuring senior piano soloist Isabella Kafka. Students were recognized for their efforts throughout the year with a number of awards, including Pep Band All Star, The Ragnar Award, Most Improved Players, and Outstanding Section. Several seniors were recognized with national awards for their excellence in band: Grace Blakeslee - Semper Fidelis Award; Mark Wanek - Louis Armstrong Jazz Award; Isabella Kafka - John Philip Sousa Band Award. DHS is very proud of the efforts of all of these band students, and will especially miss the leadership shown by the DHS Band Class of 2022!

DHS Band students traveled to the newly renovated Bradley Symphony Center to see a live performance of The Milwaukee Symphony Orchestra on May 14th.

DHS Jazz Band members participated in the UWGB Jazz Festival on March 26th. They performed for and received coaching from several jazz professionals in the area. They also performed in concert for all of the festival participants and attended the evening headliner concert featuring Grammy award winning tenor saxophonist Joe Lovano.

DHS Band students traveled to the Kohl Center in Madison on April 22nd to see a live performance of the UW-Madison Varsity Band Concert, in which several DHS Alumni were performing.

Several members of the DHS Band volunteered to come together in support of our varsity girls soccer team by providing pregame pep band music along with a live performance of the National Anthem on April 28th and May 17th

Members of the DHS Band paid tribute to the veterans in our community by performing the National Anthem at the Denmark Memorial Day ceremony at Memorial Park on May 30th. Senior Sydney Rabas performed Taps.

DRIVE YOUR TRACTOR TO SCHOOL 2022

We had a very successful "Drive Your Tractor to School Day" on May 13th. Sophomore Jakob Thyges did a great job coordinating the event! We had 46 tractors in the parade to Denmark High School including tractors driven by Mr. Goral, Mr. T Kapinos, Ms. Schultz and Mrs. Bielinski!

**Congratulations go out
to Lee Yang.
She won 3rd place in
The 8th District
Congressional Art Show.**

Students in the Engineering Principles class completed their car and attended the annual Formula Student USA race day at Road America in Elkhart Lake. Each student had the opportunity to turn laps at the track throughout the two day event, which included 11 schools from Wisconsin and Upper Michigan. The event was filled with problem-solving, speed, and a ton of fun!! The Tech. Ed. department plans to continue this amazing program and compete each year!!

Chosen 11th and 10th graders participated in "May Development Day" for the launch of our new Link Crew program for incoming 9th graders. We are trying to put in place a structure where freshmen get the necessary support to successfully navigate this transition and start their high school experience on a positive note. Students participated in many activities to experience the program vibe and learn what they will be doing with the Freshman to increase positivity and lessen anxieties about entering high school by building connections with all DHS students.

Denmark High School Joins Ahnapee Auto and Diesel Maintenance Programs

The 2021-22 school year marked the beginning of Denmark High School's participation in the Ahnapee Auto and Diesel programs. The Ahnapee Auto and Diesel programs are a partnership of area schools including NWTC, Luxemburg-Casco High School (where the program takes place), Kewaunee High School and Denmark High School. Denmark students who participate in the program take required coursework at Denmark High School and then travel to Luxemburg-Casco for auto and diesel maintenance courses taught by NWTC instructors. Students can participate during their junior and senior years and are provided the opportunity to earn college credits while also receiving credit towards high school graduation. Through successful completion of NWTC's Automotive Maintenance Technician (AMT) or Diesel Maintenance Technician (DMT) curriculum, students attain a one-year technical diploma. Following graduation from high school, they may choose to ladder into an associate degree or a two-year technical diploma. These programs are made possible by connections with area companies who contribute equipment and resources to the program and the regional transportation industry.

Pictured top right, Connor Schultz working on diesel equipment. Top left, Casey Ducat, Walter Rozoff and Caaden Freeman, graduates of the Ahnapee Automotive program.

PROM 2022

DHS Yearbook Celebration

"Better Than Netflix"

If the 2021-2022 school year was a Netflix series, it would be the reboot season as students and teachers eased back into a more "normal" school experience. Notable differences from pre-2020 included the increasing amount of activities that students could be involved in and the number of smiles readily available.

The high school yearbook team, a combined group of 19 sophomores, juniors, and seniors and 1 teacher, took the challenge upon themselves to create a yearbook with the highest sales record in Denmark history. This success can only be attributed to the yearlong effort in marketing, photography, article writing, and interviews. It couldn't have been completed without the collaboration of Jeff Kralovetz of Ambrosius Photography and Tricia Dewar Photography, who do great senior and event photos.

Once the team came up with a Netflix theme and layout last fall, they ran with it. Large group photos of every grade level featured all DHS students with class intro pages stating Netflix-like headlines like "125 Students, 9 Seasons" for 125 freshmen. The book ended with the closing page caption: "Are you still watching Denmark High?" Final inserts including highlights from spring sports, the spring play, prom, tractor day, and of course, graduation will be delivered in September of 2022 to those who purchased a yearbook already.

The big reveal on May 26, 2022 during a schoolwide signing day united students in celebration, who gathered to write messages to friends and teachers that would last a lifetime. Yearbook members handed out books, set up games, played music, and gave out snacks and drinks to make it a true party.

The yearbook team is extremely grateful for all of the positivity and support this year, and they look forward to another year of school pride and excellence ahead, but for now, let the pictures and memories of the celebration day speak for themselves.

Denmark Leos News-What a year it has been!

The Denmark Leos held their annual food drive to help support the Denmark Food Pantry. This year we encouraged classes to compete against each other for prizes. Mrs. Albers' first block class won donuts and juice for having the most food the first week.

Mr. Fitzpatrick's first block class won the overall prize of pizza! We also had Mr. Olson's first block class winning the biggest losers prize with 25 plus jars of peanut butter donated! Thank you to all the students and staff who contributed to the food drive

We were finally able to start back up with our many volunteer activities that ranged from apple giveaway, hot dog giveaway, pumpkin pie making for the Maribel Food Pantry, veterans cards, door decorating at the assisted living, Lions poinsettia sale, Valentine making for the senior citizens, Lions consignment sale, Ruby's Pantry maintenance staff recognition, food drive, and lunch lady recognition.

The Leos members volunteered over 400 hours for the events listed above.

What a great group of students we have as members!

Senior Lock-In 2022

Thank you to all the businesses, parents and administration that helped make this event a success! Without the many donations of time, money and gifts we would not have been able to have this event for the seniors.

8th Grade Wisconsin Math League Algebra Top Ten Results

1st Place Medal – LINCOLN O'LEARY
2nd Place – RYER ALLEN
3rd Place – CALLIE DEMERRITT
4th Place – DAVID DITTMER
5th Place – ALEXANDER ROZUM, WHITNEY DERRICKS, and SOPHIE GERONDALE
8th Place – DAVID CERVANTES
9th Place – BARRETT CZARNESKI and AUBRY OLSEN

Congratulations to all winners and participants!

UNLOCKING DENMARK'S POTENTIAL

We **listened** to community feedback when OneDenmark began our quest to assure everyone in Denmark can connect, belong, and thrive. You told us of a vision in which Denmark has a thriving downtown with coffee shops and restaurants, a library, a rehabilitated park and more.

Then OneDenmark **learned** by touring other communities with successful coffee shops, thriving senior centers, co-op grocery stores and other endeavors that used empty buildings (abandoned schools, storefronts & banks) to bring people together in clever ways.

One beautiful example was a storefront turned into a resale shop, run by volunteers, returning all their profits to organizations serving the local community. The shop has donated \$1,000,000 to their community over 15 years.

Now OneDenmark is ready to begin unlocking Denmark's potential by **leading** a movement to promote spaces where the people of Denmark can connect.

OneDenmark's first connecting space provides an inter-generational opportunity.

Inspired Grounds, located in the Village-owned, former bank building, is the brain-child of two Denmark high school students (Isa and Emma). Inspired Grounds is partnering with Denmark Connects, the Village of Denmark, and Denmark High School technology students to institute senior adult and youth connections, via technology training. Funds from OneDenmark and Denmark Connects will be used to open Inspired Grounds and connect these generations. Details coming soon.

54th Annual Awards Banquet

The annual Denmark FFA banquet was celebrated on Saturday, May 14th. Students came together with their friends, family, and advisors to acknowledge their achievements in the FFA program. The Denmark High School FFA officers presented awards to their fellow members, recognizing students' accomplishments throughout the year for their successes in Career and Leadership Development Event Contests and proficiency awards.

2022-23 FFA Officers

Congratulations to the newly elected Denmark FFA Officers.

Eric Allen - Co-President,

Jayden Bielinski - Parliamentarian

Morgan Brice - Treasurer

Austin Chervenka - Student Advisor

Daisy Post - Reporter

Kayleigh Scriven - Secretary

Michael Vander Kinter - Vice President

Elisha Vogel - Co-President, and Ivy Wavrunek - Sentinel

School Orchard

Thanks to Brian Wojta and the many generous sponsors of our NEW school orchard! The idea of having a school orchard began a couple of years ago with the planting of several fruit trees in our District Nature Center. That has now grown to over 55 trees, which were recently planted in the farm field directly behind the Nature Center. A variety of fruit trees (peaches, prunes, apples, nectarines, and cherries) were planted the week of May 9th. Students in middle school and high school were involved in the planting. The future of the orchard included numerous opportunities for students in grades 4K-12 to learn about apples, pruning, and care of fruit trees. The next step will be to have grass planted around the trees. A BIG thank you goes out to Brian Wojta for planning the entire project, getting the trees donated, mapping out the field and so much more!

2022 6th GRADE BAND LESSONS @ DENMARK MIDDLE SCHOOL

Mr. Dennee – Room 123

Community Connection Page

This Community Connection page is for those community organizations or non-profits that would like to get a special message out to all the residents of the School District of Denmark. Please keep the message as brief as possible.

If you have a message that you would like placed in the next newsletter, send it to

Cassandra Petska at petskac@denmark.k12.wi.us.

If the content is appropriate for the District newsletter, it will be printed.

Thank you to Craig and Melissa LeFevre, family and friends, for raising and donating over \$2000 to Sting Cancer. Hope you had a great wedding!

Denmark Student Wins Ag in the Classroom Essay Contest

Mollie Goral, a 5th-grade student from Denmark, is the state winner of the Wisconsin Ag in the Classroom Essay Contest. Wisconsin 4th and 5th graders were asked to write a 100-to-300-word essay with the theme, "What's Poppin' in Wisconsin? Corn's value to our state's economy"

Mollie is the daughter of Jeff & Erica Goral. Tammy Brunette is her teacher at Denmark Elementary School.

Over 1,500 students wrote essays for the competition, which is sponsored by Wisconsin Corn, Wisconsin Farm Bureau Foundation, Wisconsin Soybean Marketing Association, and WE Energies.

THANK YOU FOR A SUCCESSFUL LOYALTY DAY PARADE

The DHS Band proudly and boldly withstood the rain to perform in both the parade and commemorative ceremony for the Loyalty Day celebration in Denmark on Saturday, April 30th. The marching unit was awarded "Best School or Scout Group" in the parade. All of the students showed incredible grit and professionalism with two high quality performances under adverse conditions and represented both DHS and the Denmark community very well!

Girls on the Run will be offered at Denmark Elementary

What is Girls on the Run?

Girls on the Run has fun, evidence-based programs that inspire all girls to build their confidence, kindness and decision making skills. Dynamic lessons instill valuable life skills including the important connection between physical and emotional health. There are 20 lessons facilitated by volunteer coaches. At the end of the season, the team completes a 5K together,

Local Wellness Policy

The District has established a local wellness policy to support its efforts to maintain a school environment that promotes students' health in compliance with the United States Department of Agriculture requirements for School Food Service Authorities. The District recently completed an assessment to see how our written policy compared to a model policy. As a result of this assessment, the District has made some recent minor revisions. To view a copy of the adopted policy 8510-Wellness, please go to go.boarddocs.com and search for **po8510 -Wellness**.

The District encourages participation in the development and review of the written policy.

Please contact Janelle Marotz at marotzj@denmark.k12.wi.us for additional information.

NOTICE OF NONDISCRIMINATION POLICY

It is the policy of the School District of Denmark that no person may be denied admission to any public school or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational or other program or activity because of the person's gender, color, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, gender orientation, physical, mental, emotional or learning disability.

Attention: Non-Residents of the School District of Denmark

This newsletter is a service provided to all residents of the School District of Denmark. The most effective and affordable process to circulate this newsletter throughout our community is to use a saturation mailing which occasionally picks up a few streets in the postal route areas of non-residents. Avoiding a few non-residents from receiving this newsletter is difficult and costly. Our efforts to communicate with our resident families is important. Thank you for understanding.
