April 2022

Discovery Fair is April 26th

Come join the fun at this year's Discovery Fair! This fun, family event will be held on Tuesday, April 26th from 5:00pm-6:30pm. Let's celebrate our students' learning and the progress they've made throughout the year. Come view the student exhibits (grades 2-5), explore the book fair, and enjoy our coffee and cupcake sale!

Iced coffee and cupcakes will be sold as a student fundraiser in the gym. Money raised will be used to purchase new playground & recess equipment. Coffee will be \$2 and cupcakes will be \$1. Hope to see you there!

Summer School Registration Opens April 6th!

Summer School Registration is just around the corner! View our Course Handbook, Timetable, a FAQ sheet, and instructions on our website (these resources will be posted for viewing no later than April 2nd).

Inside this issue:

Registration will open Tuesday, April 6th at 8:00am and will close on Thursday, April 22nd at 3:00pm. **NO LATE REGISTRATIONS WILL BE ACCEPTED.** All course registrations must occur within the above timeline, including Session One (June Session), High School Weight Training, and Session Two (August Session).

Please keep in mind you will need an Infinite Campus Portal in order to register your students for Summer School. Please contact Janet Kinjerski at 920-863-4041 or kinjersj@denmark.k12.wi.us to create a portal.

Any questions, please call us at 920-863-4050. We look forward to seeing you this summer!

5th Grade Timber Rattler Field Trip

April 20th: 5th Grade DARE Field Trip

Schedule:

- 10:30 DARE presentation
- 11:00 - 11:30 Catch on the Field
- 11:00 - 12:30 lunch in the pavilion (hot dog, chips, and drink; provided with the ticket)
- 12:10 - 2:15 Game

Vision Screenings April 28th & May 6th

Dear Elementary Parents and/or Guardians,

We are excited to partner with NWTC to provide free vision screenings for students in grades 1, 3, and 5. This screening will take place on Thursday, April 28th or Friday, May 6th, and will be done at the Elementary School. If we screen your child and find any unusual findings we will contact you concerning this manner.

If you DO NOT want your child to take part in the vision screening, please contact the Elementary School Office at 920-863-4050.

For additional information, please contact one of the school nurses at (920) 863-4032 or (920) 863-4253.

Thank you,

Amber Kapinos

District Nurse

Bellin Run Training

- Training will begin on Tuesday, April 5th after school - meeting at the flagpole. Many students have already received their packets. If your child is interested, please contact Mrs. Chester (chesterp@denmark.k12.wi.us) and I will get a packet (including training schedule) to the student.
- Last year the Bellin Run was virtual so we had our own "Denmark Bellin Run". This was well received by parents - so we are thinking of going this route again on Saturday, June 11th. This allows students to choose whether they want to run the whole 10K (6.2 miles) or a 5K (3.2 miles). If your child would want to do the Bellin Run in Green Bay on that day, they would have to run the 10K.....along with thousands of other people . So, there are options this year but no matter what you choose for June 11th, the cost to run would be the same because you would be getting the Kids for Running t-shirt and also the official Bellin Run t-shirt. .
- Feel free to email me if you have any questions.

Mrs. Chester

Gifted and Talented Highlights

Congratulations **Elementary School Geography Bee Champion**

WESLEY DEMMIN 

Denmark Elementary School held a school Geography Bee during the week of March 7th with the Championship Round being held on March 10th. Interested students in 4th and 5th grade participated during their lunch time recess. It was an **exciting** display of knowledge of U.S. geography, state nicknames, historic places, and geographical terms. This year the Champion is 4th grader **WESLEY DEMMIN** who NEVER missed a question in 14 rounds of competition. **Way to Go, WES!!!**

Here are the results of the Championship Round:

Champion Medal Winner-----WESLEY DEMMIN -gr. 4

2nd Place-----JACKSON DEMERRITT -gr. 5

3rd Place (tie)-----CHARLIE SCHUEPPERT -gr. 4 and EVAN PAINTER -gr. 5

Congratulations to all 73 contestants and thank you for your support for this fun and exciting contest!

School Counselor's Corner

What are we learning in Guidance in April?

- 1st grade: We will be learning about jobs! This is one of my favorite units because we discuss how the sky's the limit when it comes to what we want to be when we grow up! Dream Big!
- 2nd grade: We will be learning about honesty. Why is it important to be honest and what happens when we are dishonest?
- 3rd grade: We will continue to talk about choices. The year ends with talking about JOBS!!! What does your personality say about what kind of job you will have?
- 4th grade: We will be learning about honor and respecting the world. This will tie all of the lessons that we have learned this year!

5th grade: We will be talking about middle school! This is such an exciting time for 5th graders. Mrs. McElroy (middle school counselor) will be coming to our school to talk to us about going to middle school and what to expect with this transition. This would be a perfect time to think about signing up for the "I'm In the Middle Course" summer school course. Registration closes April 22. In May, we will be taking a tour of the middle school during their guidance lesson. Please use this link for more information: [LINK HERE](#)

Spring Break Tips & Tricks

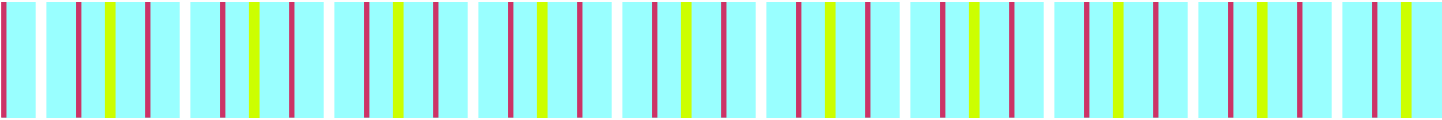

To your children, Spring Break is a welcome chance to sleep in and spend the day having fun. To parents, Spring Break can be stressful, whether due to re-arranging schedules, setting up playdates for younger children or worrying about older teens off on trips. This Parenting Tip is about helping manage stress during spring break and finding fun new ways to bond with your children.

Tips for Families Staying Home

Staying home with your kids? Make Spring Break fun, educational, and most importantly stress-free with these ideas:

- **Make a plan!** School-aged children are used to routine, so help make spring break more manageable by planning out some activities that you can do with your children. Some ideas include taking your family to a local library and selecting two books to be read during break, or visiting a nearby museum or science discovery center. Whatever you choose, be sure to include your children in the planning and find out what they want to do.
- **Connect with neighbors.** Meet up with friends and neighbors to formalize a game of tag at a park or set up a group playdate with neighborhood families in your backyard. Not only does this give your children structured ways to spend their fun time, but helps build connections among families in the community.
- **Lean on family and friends** if you don't have time off. Spring break presents a unique challenge for working parents. If you're unable to take time off from work, make use of family members and friends in your neighborhood that can watch your children while you're at work. Situations like this are an example of why building connections in the neighborhood can be so important, not only for you but for other parents who might not have family or close friends nearby.
- **Take care of yourself!** The extra stress of spring break can wear you down, so make sure you budget time for yourself. One date night or night out can make the difference between a manageable spring break and a crazy one. Ensure you have the time you need to yourself in order to decompress and destress.

NEWS FROM FOOD SERVICE

HAPPY EASTER
