August Newsletter 2021

Ninth-grade orientation is scheduled to take place on Wednesday, August 25 from 6:00 - 8:00 PM. Additional details will be provided to families of the Class of 2025 in early August.

The Student Services staff would like to share information regarding schedule changes during the 2021-22 academic year. Please know that our priority is keeping class numbers balanced and stable for student and staff safety, so schedule change requests will be considered on a very limited basis.

Student schedules will be made available on August 16th. Schedule changes will be considered for necessary situations, such as a student having registered for a class without completing a pre-requisite. We will consider other requests when class numbers allow. Students will have the opportunity to request these schedule changes through a Google Form that will be available on the website during the first 3 days of each term and shortly before school starts in the fall. This is the only method to request any changes--please do not email your counselor to request schedule changes. A scheduling committee will meet to consider all requests, and requests that are deemed necessary will be granted when possible. Students will receive an email after a decision has been made.

Annual Student Information Update (Online Registration)

In our continued efforts to be efficient with student information, all student information data updates will be submitted online via your Infinite Campus Parent Portal. **The online Annual Student Information Update link will go live** on July 21, 2021. To access the program, click on the "More" link located on the left side menu and then the "Annual Student Information Update" link to begin the update process.

The online student information update will replace in-person registration for the 2021-22 school year.

Parent Communication: New Payment Processing Vendor

Dear Parents,

On March 8, 2021, Infinite Campus announced it is switching payment processors for all online payment functions in the Campus Portal. This summer we have chosen to make the switch for the 2021-2022 school year. This will have minimal impact to you. However, any payment methods you've set up for your credit cards or eCheck accounts will be deleted to ensure the security and confidentiality of your data. After we make the switch, you will be asked to enter your payment methods into the Parent Portal.

Any Recurring Payments you may have set up (if you intend to continue making payments this way), will also need to be updated to use the new payment methods you create. There are no other changes in the way you will experience online payments.

This change will improve financial reporting efficiency for the district, as well as the support experienced by district staff when researching reported issues.

If you have any questions please contact Janelle Marotz,
marotzj@denmark.k12.wi.us OR 920-863-4006
