Prom Court 2021

On May 14th, 2021, students in the Denmark School District had the opportunity to "Drive Your Tractor to School Day." Students and teachers met at McDonald's at 6:30am, to drive together to school. This year Jakob Thyges lead the way, as well as organized the event with a little help from others. Thanks to donations from students, staff and community members including James Grasee of Edward Jones matching funds of \$250, we were able to donate over \$650, to Jaida Speilvogel's fight against cancer!

Godspell Seniors Use their Creativity to Shine Through Adversity

Senior Cast Members (L to R): Joseph Umentum, Zoe Shefchik, Macy Joyce, Leah Heim, Megan Levy, Leah Mleziva, Garrison Anderson

This year's DHS musical season, like most of the 2020/2021 school year, was about pushing through adversity. When the musical team got the green light in December to move forward with a musical, we were stoked and also a bit intimidated. Would we be able to put together a show in a short time? Would the actors and crew understand the material and get behind it?

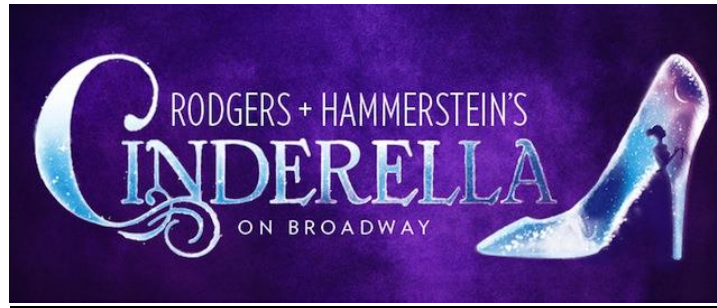

Enter: our Class of 2021. These seasoned veterans knew right away that they would have to be leaders to make Godspell magic. They knew it would be challenging, uncomfortable, frustrating, and SO worth it. More than any other class we have worked with, our 2021 seniors knew that they had to make the most of something that had almost passed them by.

The musical Godspell leans heavily on the wisdom of the actors to interpret and present the story in a way that fits the cast. Each cast member gets to shine and must encourage everyone else to do the same. Both in the show and in the process, the cast must build each other up or the show falls flat. Our show did not fall flat- our cast made it happen and it was an amazing experience!

To our Musical Theater Class of 2021: THANK YOU for being leaders, for embracing the material and for being an example of what is possible, despite all the challenges that life hands us. We will miss your experience, maturity and talent. Thank you for all you have given those who come next and we know your future shines bright!

-Jennifer Treu, Director

DENMARK HIGH SCHOOL MUSICAL 2021-2022 ANNOUNCEMENT

Hello, all! Next year, the Denmark High School Music Theatre Program will be staging a production of Rodgers & Hammerstein's "Cinderella"! This production will be open to high schoolers and middle schoolers and the show will be performed the first two weekends in November. Audition dates and times are as follows:

Audition Workshop (Optional):

Thursday, June 10th 4-6PM Choir Room

Auditions (Pick One Day):

June 13th, 14th, and 15th 4-6PM PAC

Callbacks:

Monday, June 21st 4-6pm PAC

Contact Mr. Jordan or stop by the high school office for an audition packet.

If you would like to sing a different **musical theatre song** that is not in that packet, you may also do so.

For the script excerpts, YOU choose which character you would like to read for and someone from the directing team will read the lines opposite of you

If there are ANY issues with the audition dates and times, please let Mrs. Treu or Mr. Jordan know as soon as possible and we will figure something out for you. We know this is a quick turnaround for auditions, but due to the fact that the Lions Parade is happening this summer, we suddenly need a cast for our float! We're looking forward to this production and we hope you are too!

Let us know if you have any questions!

-The DHS Musical Production Team

DENMARK VFW POST 6705

The Denmark Tech. Ed. Department had the honor to make twenty shadow boxes for the Denmark VFW Post 6705. The boxes are to be presented to our local veterans families when they pass away. This has been an annual project for the class and always has a lasting impact on our students. Denmark VFW Commander Richard Verheyen and Quartermaster Charlie Winnekens came out to accept the shadow boxes and talk about the significance of the project.

Student Fee Information for the 2020-2021 School Year

Due to the Coronavirus Pandemic, the Denmark School District chose to delay the collection of school fees for the 2020-2021 school year until the start of the second semester January 25, 2021. School fees are due at this time and open for online payments through the Infinite Campus Parent Portal [www.https://wicloud2.infinitecampus.org/campus/portal/denmark.jsp](https://wicloud2.infinitecampus.org/campus/portal/denmark.jsp). With the Coronavirus Pandemic we are encouraging families to make one “household” payment for all student supply fees, course fees, parking fees, etc. with credit card/banking accounts, through the Infinite Campus Parent Portal, in the convenience of your home. (Note: the transaction must be over \$10.00 and there is a \$2.00 processing fee). If you choose not to make payment online, payments should be mailed to 450 N Wall Street, Denmark, WI 54208 or dropped off in any of the school offices at this time.

Due to closing school buildings last March of the 2019-20 school year, some paid events (field trips, camp, etc.) were cancelled causing a surplus balance in the student/s account. Any student surplus from the prior school year was applied to that individual student’s 2020-2021 fees and noted in the “Paid” fees. If you would like to apply the remainder of the students surplus to other members in your family please contact the school office to make this payment. After the household balance is 0, if there is surplus left from the 2019-20 school year, it may be left in the account for future fees or call the school office for a refund.

We know that this may be a tough time for our families and our goal is to assist our families in setting up payment plans for those who are unable to make full payment at this time. Please contact your child’s school office if you have any questions concerning student fee payments.

Note: High school students who have been parking a vehicle in the lot, add the \$20 School Year Parking Permit under Optional Payments to your school fees on Infinite Campus before submitting payment. Paid Parking Permit Tags should be picked up in the school office, all students will be required to have a Parking Permit Tag in their vehicle in order to park in the lot.

The Denmark High School Student Council hosted a food drive on May 5th, from 6-7PM as part of the Student Council Olympics. Over 250 lbs of non-perishable food was collected for the Denmark Community Cupboard. Besides the food drive, the Student Council also held a Powderpuff Football game that same night, with the junior class (class of 2022) taking first place in the event.

Students will also be fitted for uniforms during these sessions. This week will conclude with a picnic and pep band at the home football game versus Shawano. Homecoming is September 17th, so we don't have a lot of time to get the Halftime Show prepared. Every little bit we get done in the summer will help!
