

Denmark High School

April Newsletter 2022

Student Fees

All unpaid student fees can be accessed online via your online [Infinite Campus Parent Portal](#).

- You may pay the fees online via credit or debit card or by cash or check in the high school office

If you have any questions regarding student fees, please contact the High School Office at 920-863-4200

For Infinite Campus Parent Portal questions, email Joan Langenberg at Langenbj@denmark.k12.wi.us

2022 BAND EXTRAVAGANZA

Healthy Teeth, Healthy Kids!

COMING SOON TO DENMARK SCHOOLS!

No-Cost Dental Care to Kids in Need!

Oral Health Partnership is a nonprofit organization dedicated to improving the oral health of children and youth in and around Brown County. OHP provides access to dental services and oral health education to children on medical assistance, or who are uninsured and without financial resources. Our goal - get kids established in a prevention, maintenance and education program with a cleaning every six months.

We Accept Children Who:

- Are 0-18 years of age
- Have ForwardHealth, Medicaid or BadgerCare card
- Have NO private dental insurance or dental home
- If uninsured, must be eligible for free and reduced lunch in school

OHP's traveling school-based program offers preventative and restorative services to children four days each week, right in their school setting. Dental services are brought directly to kids in need, eliminating the barriers of parent work schedules, transportation, and other factors that can prevent a child from getting needed care.

For more information, please call Amber Kapinos, RN, Denmark School Nurse at (920) 863-4032 or Lindsey Reckelberg, Denmark Social Worker at (920) 863-4024, or visit OHP website www.smilegb.org.

Spring Art Events Stimulate Creativity

The Art Department would like to invite you to our spring events. ***Art in the Atrium*** will take place on Sunday, March 27th in collaboration with the Band Extravaganza. The show will feature artwork from all grade levels and will highlight the artwork which had been on display during the Wisconsin Art Education Association Regional and State Youth Art Month Shows.

Art & Blooms will be held in the atrium and plaza on Saturday, May 21st. The exhibit will be open from 9:00 am until 12:00 pm. Enjoy the exhibit which includes a variety of amazing artwork from our K-12 students. During the event the following activities will be taking place: face painting, flower pot decorating, rock painting, art games and planting flowers. The exhibit is free to view and the activities cost \$15 for the first child and \$10 for each additional child (while supplies last).

For questions, please call Sarah Fredrikson, High School Art Teacher, 863-4271.

Art in the Atrium

At the Band Extravaganza

Sunday, March 27th

1:30 pm - 3:30 pm

CONGRATULATIONS DENMARK HIGH SCHOOL ART STUDENTS

Several of our high school art students' artwork had the honor of exhibition at the 2022 WAEA (Wisconsin Art Education Association) Youth Art Month Show held at the East Towne Mall in Madison from March 12th to March 25th. Maddie Phillips, Tori Schneider, and Sammy Scheppman have their work on view. There are over 500 pieces of artwork from around the state on display in Madison. Awards will be presented on March 25th at 12:00.

On a dark and stormy night, six unique and colorful guests, arrive for a dinner party at the home of Mr. Boddy. The main dish is murder served up, with a side dish of blackmail! When their host turns up dead, it is clear that no one is safe! Was it Professor Plum, in the kitchen, with a revolver, Colonel Mustard, in the lounge, with a wrench, Mrs. White, in the hall, with a rope, Mrs. Peacock in the library, with the dagger, Miss Scarlet, in the billiard room, with the candlestick, or was it Mr. Green, in the study, with a lead pipe? On the other hand, perhaps it was Wadsworth the butler, the cook or Yvette the maid. Soon the guests are racing to find the killer and keep the body count from stacking up.

Based on the popular board game and adapted from the classic film, *Clue* this is the comedy whodunit that will keep you guessing (and laughing) to the very end.

"Clue: On Stage (High School Edition)"

Based on the screenplay by Jonathan Lynn

Written by Sandy Rustin

Additional Material by Hunter Foster and Eric Price

Based on the Paramount Pictures Motion Picture

Based on the Hasbro board game CLUE

Original Music by Michael Holland

Save the Dates:

April 8 – 7:00 PM

April 9 – 2:00 PM and 7:00 PM

April 10 – 2:00 PM

Clue: On Stage - High School Edition

Makenzie Phillips

Laurel Wilson

Lydia Treu

Student Directors: Leah Phillips and Isa Wagner

The **Denmark Equestrian Team** will start practices in the middle of April. The equestrian team is made up of students currently in 6th grade through students currently in 11th grade. Members will participate in multiple disciplines including English, Western, Hunter, Speed and Showmanship. We will practice on Monday nights April through September. If you are interested in being a member of the Denmark Equestrian Team and were unable to attend the informational meeting you should contact Mr. Nowak for more details. Even if you do not own a horse, you are welcome to become a member to learn more about horses, horse ownership and horsemanship. More details, including practice schedules and locations, will come soon to members.

As the archery season is coming to an end, the Denmark Archery Team has continued to see growth in its members. This month, members have competed in The Denmark Virtual Tournament and the East DePere Tournament.

At the DePere Tournament, Taylor Langhoff placed 5th in her age division with a score of 273 and Nick Langhoff placed 4th amongst 10th grade boys. In the Denmark Virtual Tournament, notable finishes included Taylor Langhoff with a score of 271 ranking 3rd in her age division and Nicholas Langhoff with a score of 264 finishing 4th in his age division.

On March 26, Nickolas Langhoff, Taylor Langhoff, Kooper Scriven and Kaliegh Scriven will compete in the state competition. Results will be posted in the next newsletter.

DIAL “1” for the Attendance Line

Please help get the information to the right place. Dial 1 for attendance in all buildings and leave a detailed message on the attendance line. This message should include:

1. Your child’s name, reason for the absence, date and time of the absence, parent name and phone number you where you can be reached if there would be any questions. Please be assured that these messages are checked continually during the day.

Your child’s success in school is a goal we share. We work hard to partner with our families to make sure all students are at school, on time for school, and throughout the school day, every day! **Per Wisconsin state statute a parent/guardian can excuse their student for not more than ten days per school year.** We understand that extenuating circumstances do happen in families and we are committed to working with you. Your school welcomes the opportunity to discuss any questions or concerns you may have regarding your child’s attendance. By figuring out the reasons for your child’s absences—whether they’re physical or emotional—and taking advantage of support services—such as school counseling, nursing and social work services—you can help set your child on the path to success! Families can expect strong support from school personnel as you establish family practices that promote school attendance.

Here are a few actions you can make to help promote compulsory school attendance:

- Call your student's school each day they will not be in attendance and state the reason for the absence
- Obtain medical excuses when your student attends appointments so their absences can be excused and not count towards the 10 day limit
- Contact your school social worker or school resource officer if you have concerns about your student's absences or your student is refusing to come to school. We can work together to ensure barriers are eliminated to support attendance.
- Review your student's absences via Infinite Campus to keep track of absences

Please note by law, the school district of Denmark is required to begin the habitual truancy process once a student is considered habitually truant.

To locate the preapproved absence form, please go to the Denmark High School website. Under the families tab you will find forms. The pre-approved absence form is located there. Please print the form and complete it. You can bring this form to the office, fax this form (920-863-8856), or email it to kittells@denmark.k12.wi.us.

MEDICATION REQUIREMENTS

All medication must be dispensed from the school office. Students are not allowed to carry medication on their person, for their safety as well as the safety of other students. An exception to this rule is students who must carry emergency inhalers. Students requiring emergency inhalers are allowed to carry them ON THEIR PERSON. However, the physician **MUST** indicate this on the Physician Request Form. Parents/Guardians **MUST NOTIFY** Mrs. Amber Kapinos, RN, School Nurse, if a student will be carrying an emergency inhaler. Mrs. Kapinos can be contacted by calling 863-4032.

Medication Form https://www.denmark.k12.wi.us/cms_files/resources/medicine.pdf

Are you a Gifted High School Student Looking for a Respected Summer Research Program?

- *Including research experience on college applications is the new norm.*
- *The Pioneer Research Program is a research institute that works with high-achieving high school students. Pioneer scholars earn college credit while exploring the ideas they are passionate about, whether they choose to study STEM, social sciences, or the humanities.*
- *The program provides everything scholars need for their research journeys, including one-on-one professor mentorship, an unparalleled academic system, online undergraduate libraries, and the support of Pioneer's global alumni network.*

The Pioneer Research Program is the only fully-accredited virtual research institute for students in high school.

Gifted students don't require high-end mentors to help them thrive. What they need is the highest level of challenge to conduct original research.

Pioneer Academics is well known for being highly selective and academically rigorous.

All selected scholars are mentored first in small international groups and then in one-on-one research by faculty of highly-respected colleges and universities. Pioneer Scholars receive training in research methodologies, access to digital undergraduate libraries, and connections to a global alumni community.

Register for an online information session with Pioneer Academics to learn more.

Pioneer Academics' 2022 summer term application deadline is April 10. Discover Pioneer at **pioneeracademics.com**!

Denmark FFA – More Activities Planned!

Denmark FFA is ready with many service, social, and leadership activities/competitions planned! Membership in FFA opens amazing opportunities that shape a lifetime, form lifelong friendships, and gain leadership skills needed for your future. Every member is encouraged to find at least one activity they want to participate in. We strive to offer something for everyone!

If you have any questions, please contact Ms. Mary Handrich, Denmark FFA Advisor at 863-4264 or handrichm@denmark.k12.wi.us or check out the Denmark FFA Webpage at www.denmarkffa.com

Upcoming Events:

April 4th - Sectional LDE Contests at Denmark
April 5th, 7th & 9th - 5K Planting Day/Greenhouse Tour
April 7th - 5th Grade Dairy Day
April 8th - State Virtual CDE Preliminary Contests
April 22nd - FFA Officer Forms (Applications) Due
April 29th - State In-Person CDE Contests
April 29th - 4K Arbor Day Celebration Activity
April 30th - FFA & VFW Loyalty Days 5K Run/Walk
May 7th, 14th, 21st - Greenhouse Plant Sale
May 14th - Awards Banquet at Beverly Gardens
TBD Day on the Lawn
TBD Tie Blanket Making
TBD Bowling Night

Fox Valley Technical College Regional CDE Contests

Twelve members stepped up to the challenge to test their agriculture knowledge in last spring's career development contests. Through Career Development Events, FFA members in grades 7 to 12 are challenged to develop critical thinking skills and effective decision-making skills, foster teamwork, and promote communication while recognizing the value of ethical competition and individual achievement.

This year the Dairy Products team was coached by Mike Sipple. Team members participated in regional competition held at Fox Valley Technical College placing 4th along with World Dairy Expo and the state contest at UW-Madison. Team members included Eric Allen - who placed 3rd overall, Jayden Bielinski, Ivy Wavrunek, and Daisy Post.

The Floriculture team, coached by Maggy Albers, participated in the regional contest held at Fox Valley Technical College along with the state contest at UW_Madison. The team placed 1st. Members included Gwen Albers -placing 3rd overall, Brooke Broerman - placing 1st overall, Sophia Heidla - placing 6th overall, and Leah Phillips - placing 2nd overall.

The Agronomy team was coached by Mark Olsen. Team members participated in the regional competition held at Fox Valley Technical College placing 3rd along with World Dairy Expo and the state contest at UW-Madison. Team members included Michael Vaner Kinter, Alec Bergelin, Jacob Schlies, and Jefferey Schlies.

The Ag Mechanics team participated in the virtual contest hosted by Fox Valley Technical College. Members included Connor Schultz, Greg Phillips, Jack Thompson, and Kadin Van De Hei, but unfortunately did not move on to the in-person competition.

Honor Roll Recognition

Each term FFA members are recognized for their academic excellence for being named to “A” and High “A” Honor Roll through the Smart Cookie program. 108 members earned this recognition for term 2.

4th Grade Maple Syrup Tours

This spring the FFA was able to host our first in-person ag literacy activity since 2020. We were fortunate to partner with Maple Sweet Dairy Sugar Shack and the 4th-grade teachers to host all the 4th-grade students at the farm. Students participated in learning how sap is turned into syrup, how to tap trees, and ended the day with a maple syrup sundae.

Worker & Pie Auction

The Denmark FFA held their annual Worker and Pie Auction on March 21st. This auction allows FFA members to either volunteer for eight hours of community service or to bake a pie that will be auctioned off. This annual event brings in a great deal of community support from local businesses. It is also one of the largest fundraisers that enables our chapter to host key events. The worker and pie auction allows all members to join in on the fun, while also helping to fund other events. This year, there were a total of about 55 workers and pies auctioned off.

FFA Officer Applications 2022-2023

Any FFA members interested in being an officer for the 2022-2023 school year should complete the Google Form. It is an honor to be an officer in FFA. Serving your chapter is not a position to take lightly. It requires commitment, dedication, flexibility, and enthusiasm. We are looking for a great group of young adults to step up this year to continue the tradition of success. Applications are due Friday, April 22nd.

<https://forms.gle/s4yvSEorUDXmVNdn7>

Greenhouse Plant Sale

Mark your calendars for the annual greenhouse plant sale! Please keep us in mind for your annual bedding

plants and vegetable plants this spring.

Dates:

Thursday, May 5th (3:15 - 5 pm)

Friday, May 6th (3:15 - 5 pm)

Saturday, May 7th (8 am - 1 pm)

Friday, May 13th (3:15 - 5 pm)

Saturday, May 14th (8 am - 1 pm)

Friday, May 20th (3:15 - 5 pm)

Saturday, May 21st (8 am - 1 pm)

After May 21st - by appointment only if plants still remain

NEWS FROM FOOD SERVICE

HAPPY EASTER!

Thank You ALL for your participation in the School Meal Program.

Updates:

~Visit our Menu Web Site - denmark.nutrislice.com

~Free Breakfast & Free Lunch is offered daily for the Operating School Days
per USDA Funding

~Breakfast is available at the MS & HS 7:30-8:00

~**ANY EXTRAS PURCHASED WILL BE CHARGED ALA CARTE PRICE**

~ID's at MIDDLE SCHOOL & HIGH SCHOOL are a REQUIREMENT to purchase food/beverage.

~Free and Reduced Applications are available all year, please contact Kristi Buhr or
see School web site. Please fill out regardless if free meals are offered

~If you Change your E-Mail Address or Move Please notify the School Secretaries

~**PLEASE KEEP FAMILY ACCOUNT BALANCES IN THE POSITIVE**

~Please contact Jody Behringer FSD, 863-4220 for any questions.

~PLEASE HAVE ANY PAYMENTS DUE TO FOOD SERVICE TURNED IN BY 8:30 a.m. SO THAT IT WILL
BE CREDITED FOR THAT DAY!! PAYMENTS CAN BE MADE THRU THE PARENT PORTAL IN
INFINITE CAMPASS

~**PLEASE PUT PAYMENTS IN AN ENCLOSED ENVELOPE MARKED WITH THE HEAD OF
HOUSEHOLD & STUDENT(S) NAME & PAYABLE TO "DENMARK SCHOOL DISTRICT"**

Message From Food Service,

We are experiencing food shortages just like the rest of the country, please be patient with us as we navigate through this. I will try my best to communicate through the District communication process.

Great news! All enrolled students of the School District of Denmark are eligible to receive a healthy breakfast and lunch at school for FREE each day of the 2021-22 school year or until funding is exhausted. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a meal application. This is possible through the Seamless Summer Option (SSO) of the National School Lunch and Breakfast Programs. Milk Break is a separate program and is based on free, reduced and paid status. **Milk cost is \$.45 per carton. Milk with Lunch and Breakfast is part of the meal. Extra milk or milk with lunch from home is \$.45.**

School meal participation goes beyond helping students with their nutrition. Our food and nutrition program provides real funding beyond the cafeteria into the classrooms.

We still encourage families to fill out meal applications! When we receive free and reduced meal applications we are eligible for more federal funds. The free and reduced eligibility that is initially used for free or reduced meal participation is also used to determine our district's eligibility for other funding such as Title 1, E-rate, and funds other programs across the district.

In the event funding becomes exhausted in SY 21-22 meal rates are as follows:

Breakfast All Schools: \$1.70, Reduced \$.30 Adults \$2.15

Elementary/ECC Lunch \$2.60, Reduced \$.40

Middle School/ High School \$3.00, Reduced \$.40 ** Premium Meal \$3.50, Adult \$4.15

**** Free/Reduced Meal Applications are accepted July 1st 2021 thru June 2022**

Phil's Driving School

Denmark High School

Driver Education

2022 Class Schedule

Denmark 2022 Classroom Dates

Due to the large volume of students currently enrolled with our school, we will not be offering any in-person classroom sessions in Denmark or our Green Bay location for a while.

We will be using that extra time to stay caught up with the In-car, behind the wheel, driving lessons so our students can continue to get their license on time.

We will continue to offer Online classroom and In-car driving lessons.

Enroll anytime by calling Phil's Driving School.

920-469-1109

Cost: The full teen course is \$360.00 if making payments or \$345.00 if paid in full at enrollment.
(Cash, Check, or Money Order only)

Payment Plan: \$120.00 down and 4 payments of \$60.00

All payments are due In Full by the students 4th driving lessons.

Full teen course includes 30 hours classroom, 6 hours behind the wheel driving, 6 hours in-car observation.

PLEASE NOTE: Denmark students must come to our Green Bay location for their behind the wheel lessons

Also Please note: Masks are still required in our office/school and in our vehicles.

~The high school office is not affiliated with our school. ~

Please call 469-1109 or stop in at 2733 Manitowoc Road, Green Bay 54311 to enroll.

Counselor's Corner

Unheard Voices

April is Sexual Assault Awareness Month. The Sexual Assault Center through Family Services of Northeast Wisconsin has been providing prevention education to local high schools for over 20 years. Their prevention program called "Unheard Voices" will be shown to students on April 20th. Advocates will share information about Sexual Assault Center services and the impact of sexual violence.

There will be a 40-minute video which includes the following:

- Four real stories of children impacted by sexual assault
- Information about consent, sexting, trafficking, and the prevalence of sexual assault
- Information about how to help a friend, where to report, and resources available for survivors
- Commonly asked questions answered by local experts including law enforcement and the District Attorney

We feel strongly that high school students need to hear this information often and from multiple sources. The Sexual Assault Center provides services to an average of 1,500 victims each year and half of their clients are under the age of 18. Children are most often assaulted by someone close to them. This presentation will help victims understand that the abuse was not their fault and they are not alone.

Denmark High School will be sending more detailed information about this event in a School Messenger. The School Messenger will also provide information on how to opt your child out of participating in this presentation if you choose.

ACT Aspire/Forward

All 9th & 10th grade students will participate in ACT Aspire testing April 4th – 7th. ACT Aspire tests students in English, Math, Science, Reading, and Writing. All 10th grade students will take the Forward Exam as well, which tests students in Social Studies.

ACT

Students in the junior class took the ACT with writing during the week of March 7th. This year, students took the test online, which is different from past years when we were required to test the entire class together using the paper/pencil format. Scores will be mailed from ACT five to eight weeks from their test date.

Students can pay to register to take the ACT again in June by visiting <http://www.act.org> if they want to try to improve their score.

ACT Prep

Methodize is an ACT prep resource for juniors. It gives access to lessons, quizzes, full-length tests, evaluation tests and a vocabulary builder. They offer resources such as, review packets, study guides, and helpful videos as well. Methodize has effective strategies and relevant content for boosting ACT scores.

Juniors have access to Methodize in their Xello account. There is a link to Xello on the high school website under the Students tab. Juniors use Google to sign in to Xello through their Chromebook and Methodize is linked under “Links & Resources” in the bottom right corner.

Scholarships

Continue to check the high school website for scholarship opportunities! New scholarships are added weekly. Available scholarships are listed under the Student section of the website.

The Local Scholarship packet is now available in Student Services and is due by the end of the day Tuesday, April 19th. Students can stop in and pick up a packet from the front desk.

Academic & Career Planning

Sophomores met in small groups with their counselor in February & March to talk about their Academic & Career Plans. Topics included scheduling, course choices, post-secondary plans, assessments, college credit in high school and much more! They can explore college and career options using various resources shared in the ACP Google Classroom. They will also use their Inspire WI account to sign up for virtual career experiences, job shadows, and other events.

Mrs. Longland and Mrs. Farr will meet with all 11th grade students in small Academic & Career Planning groups this spring. Students will be grouped with others who share similar post-secondary goals (4 year college, technical school, etc.) and career interests. Counselors will work with students to confirm their course selection for the 22-23 academic year and focus on post-secondary education plans, application deadlines, scholarships, etc.

Your child's plan will eventually be shared with you for discussion at home. Watch for School Messenger updates.

Youth Apprenticeship

Current 10th & 11th grade students interested in Youth Apprenticeship for next year should complete the application online. The first priority deadline was in February, but students are still able to apply.

<https://www.cesa6.org/services/youth-apprenticeship/overview.cfm>

Informational events were held virtually in December, January, and February to learn important information about the program. If you are a student interested in Youth Apprenticeship, but you or your parent/guardian did not attend one of the virtual events, you can register to receive a recording of the webinar. Please contact your school counselor for the link.

Summer Camps

Bellin College offers summer camp opportunities. Incoming high school juniors and seniors with a minimum 2.75 GPA can register to participate in a day camp and explore the fields of nursing or allied health by getting hands-on experience in simulation labs! Camps include a camp t-shirt, lunch, and clinical supplies. For more information, check out their website.

<https://www.bellincollege.edu/admissions/visit/summer-camps/>

Badger PreCollege is a summer opportunity that offers immersive college-prep programs for students completing grades 9-12. Students select a course or area of interest, explore campus and learn with their peers. Check out their website for more information! <https://precollege.wisc.edu/>

Job Opportunities

Local job opportunities are posted on our high school website under the Students section. If you are a senior who needs summer hours to save money for college or if you plan to go directly to work full-time upon graduation, local businesses are looking for employees like you! There are also various part-time or seasonal opportunities listed as well. Check out the website for links to job descriptions and information on how to apply.

Stay informed about Student Services events!

For valuable information about college representative visits, ACT, and much more, like our **Facebook** page Denmark High School Student Services.

Early College Credit Program/Start College Now

Denmark High School offers several different dual enrollment opportunities for students to earn high school and college credit. These programs can make college more affordable for families and introduce students to higher level coursework.

The Early College Credit Program (ECCP) allows high school students at public high schools to enroll in a UW System institution, or an alternative private/non-profit institution of higher education to take courses to earn high school credit, post-secondary credit or both. Course costs are shared among the school district, state (and in some cases, the student's family).

Students in grades 9-12 may be eligible to take courses during the fall, spring, or summer semesters. Please work with your high school counselor to see if you are eligible and begin the application process for the Early College Credit Program. **Submit your completed form to your school counselor by February 1st for summer semester, March 1st for fall semester or October 1st for spring semester.**

Start College Now (SCN) allows high school students the opportunity to take college courses at Wisconsin Technical Colleges. The application process is very similar to the Early College Credit Program. High school students in good academic standing and who have no record of disciplinary problems may have the opportunity to take college courses at their local technical college.

Please work with your high school counselor to see if you are eligible and to begin the application process for Start College Now. **The deadline for applying is March 1st for the fall semester or October 1st for the spring semester.** The school district will then make its determination regarding eligibility and notify you of the decision.

Senior Parents/Guardians

If your son or daughter is receiving scholarships that you would like announced at the Academic/Scholarship Celebration and listed in the graduation program, please email Cathy VanHerwynen at vanherwynenc@denmark.k12.wi.us or call her at 920-863-4225 with the scholarship name and the dollar amount.

Thank you!

Congratulations to the 2022 Junior Prom Court!
