VIKINGS

June Newsletter 2022

Congratulations

Class of 2022!

June 6, 2022

The Denmark High School Commencement Ceremony for the Class of 2022 was held on June 5, 2022 at 1 PM in the high school field house. During the ceremony, which was overseen by student master of ceremonies Leah Phillips, student addresses were provided by class Valedictorian Isabella Kafka, Salutatorians Eloise Scheppman and Alec Bergelin, Class President Haley Schott, Class Officers Leah Phillips, Eloise Scheppman, Chelsea Allen, and Lucas Rabas, and class representative Sanibel Harper. Mrs. Mary Handrich, 2022 Greater Green Bay Chamber of Commerce Golden Apple Award winner, was also a guest speaker at the ceremony. Our school community would like to congratulate the Class of 2022 on all of their accomplishments while at Denmark High School and wish them the very best in their futures! Onward Denmark!

STING CANCER WALK

This year's StingCancer walk was a huge success! Thank you to over 200 people who attended our event. Bill Jartz did an amazing job as our Master of Ceremonies and Denmark's very own Nick Nesvacil was our guest speaker. Nick's life story is remarkable and we are so thankful he was able to come and share it. Our silent auction was awesome and a lot of people went home with great baskets. Thank you again to all who participated and helped throughout our event. Because of you, we are able to help so many people in our community who are affected by cancer. "Together, we can Sting Cancer!"

DHS Yearbook Celebration

“Better Than Netflix”

If the 2021-2022 school year was a Netflix series, it would be the reboot season as students and teachers eased back into a more “normal” school experience. Notable differences from pre-2020 included the increasing amount of activities that students could be involved in and the number of smiles readily available.

The high school yearbook team, a combined group of 19 sophomores, juniors, and seniors and 1 teacher, took the challenge upon themselves to create a yearbook with the highest sales record in Denmark history. This success can only be attributed to the yearlong effort in marketing, photography, article writing, and interviews. It couldn't have been completed without the collaboration of Jeff Kralovetz of Ambrosius Photography and Tricia Dewar Photography, who do great senior and event photos.

Once the team came up with a Netflix theme and layout last fall, they ran with it. Large group photos of every grade level featured all DHS students with class intro pages stating Netflix-like headlines like “125 Students, 9 Seasons” for 125 freshmen. The book ended with the closing page caption: “Are you still watching Denmark High?” Final inserts including highlights from spring sports, the spring play, Prom, Tractor Day, and of course, graduation will be delivered in September of 2022 to those who purchased a yearbook already.

The big reveal on May 26, 2022 was held during a schoolwide signing day, united students in celebration who gathered to write messages to friends and teachers that would last a lifetime. Yearbook members handed out books, set up games, played music, and gave out snacks and drinks to make it a true party.

The yearbook team is extremely grateful for all of the positivity and support this year, and they look forward to another year of school pride and excellence ahead. But for now, let's let the pictures and memories of the celebration day speak for themselves.

Link Crew

On May 24th, chosen 11th and 10th graders participated in "May Development Day" for the launch of our new Link Crew Program for incoming 9th graders. We are trying to put in place a structure where freshmen get the necessary support to successfully navigate this significant transition and start their high school experience on a positive note, and it was positive!! Students participated in many activities to experience the program vibe and learn what they will be doing with the Freshman to increase positivity and lessen anxieties about entering high school by building connections with all students at DHS.

We are very excited and we are looking forward to meeting the Class of 2026 at our 9th Grade Orientation Day on **August 29th, 2022, 8:00 - 11:30 AM**. Our Vikings Link Crew Program will help get your ninth-grade student off to a great start!

Denmark Leos News

What a year it has been for the Denmark Leos! We were finally able to start back up with our many volunteer activities that ranged from Apple Give-Away, Hot dog Giveaway, Pumpkin Pie Making for the Maribel Food Pantry, Veterans Cards, Door Decorating at the Assisted Living, Lions Poinsettia Sale, Valentine Making for the Senior Citizens, Lions Consignment Sale, Ruby's Pantry, Maintenance Staff Recognition, Food Drive, and Lunch Lady Recognition. The Leos Members volunteered over 400 hours for the events listed above. What a great group of students we have as members!

Senior Lock- In 2022

Thank you to all the businesses, parents and administration that helped make this event a success! Without the many donations of time, money and gifts we would not have been able to have this event for the seniors.

DENMARK HIGH SCHOOL MUSIC THEATER RECOGNIZED AT THE
2022 CENTER STAGE
HIGH SCHOOL MUSICAL THEATER AWARDS

Throughout the 2021-22 school year, 24 local high schools have participated in the Center Stage High School Musical Theater Program. This year's participating high schools include Ashwaubenon, Brillion, De Pere, Denmark, Fond du Lac, Fox Valley Lutheran, Green Bay East, Green Bay Southwest, Green Bay West, Hortonville, Kaukauna, Little Chute, Luxemburg-Casco, Mishicot, Neenah, New London, Notre Dame de la Baie Academy, Preble, Pulaski, Southern Door, St. Francis Xavier, St. Mary Catholic, Weyauwega-Fremont and Winnebago Lutheran Academy.

Center Stage was launched in 2016 as an education initiative that celebrates and supports the achievements of high school musical theater while developing confidence, creativity and collaboration among high school students throughout Northeast Wisconsin. Education opportunities are provided all season long for students and educators to learn and grow together in their craft. This year, workshops and programs were offered in both virtual and in-person formats, as opportunities allowed.

A team of trained adjudicators attended the participating school's musical production and provided educational feedback. Scores for each production were tabulated and applications were reviewed to determine the program recipients. Participating schools and recognition recipients were celebrated at the Tony Awards style showcase at the Fox Cities Performing Arts Center on May 7, 2022 at 7:30 p.m

For this year's awards, Denmark High School's production of "Cinderella" was nominated for 3 categories:

Outstanding Ensemble (which we received at the ceremony)
Outstanding Performance by a Lead Actor - Henry Pahlow (Prince
Topher) Outstanding Performance by a Lead Actress - Sanibel Harper
(Marie)

Not only were we nominated for all of these categories, but we were also able to perform a number from our production on the Fox Cities PAC main stage for a sold out crowd. For most of our students this was the first time they have gotten to perform on a stage of that magnitude, and to say that it was incredibly exciting would be an understatement.

To be chosen out of all of these participating schools for these categories was an honor and is something that was very new and exciting for the DHS Music Theater program. Using the momentum from this past school year's production we hope to continue to build a standard of excellence for our theater program and hopefully continue to excel year to year with our performances.

Thank you to everyone who has supported DHS Music Theater throughout the years; we can't wait for the next production! -DHS Musical Production Team

DHS Science Olympiad End of Year Newsletter

The end of the year is full of celebrations of jobs well done, graduations and the completion of another year. This year Science Olympiad was full of much of the same, we have 8 seniors graduating from the team, we were able to complete in person this year and the team received a total of 25 medals at 2 invites, regionals and state this year. If you are unaware of what Science Olympiad is, it is a club of students who have the opportunity to learn more of what they like in science, test their knowledge in science, and develop amazing problem-solving skills as they challenge themselves from topics in Life Science, Environmental Science and other STEM topics. With the many celebrations also come bitter sweet endings for the year, because 8 seniors are graduating.

Designed by Maddie Phillips

Here are 4 seniors at State, Zac Walton, Mark Wanek, Hannah Nelsen, and Isabella Kafka, which was held at UW-Stevens Point.

When I started helping coach 4 years ago we had 3 freshmen that started on the team and have competed all 4 years, they are Hannah Nelsen, Zac Walton, and Gwen Albers. They will be missed and I am honored they were such good competitors and leaders this year. The other seniors are Maggie Carley, Mark Wanek, Logan Godlewski, Isabella Kafka, and Brooke Broerman, who will all be missed. Our three underclassmen, Patrick Mileski, Joshua Rider, and Brady Bellow, did well this year and I look forward to the team growing again next year. The 2022-2023 season will kick off Sept 6th with the announcements of the national event rules and I look forward to seeing how the underclassmen do next year.

One other image celebrates the passing of the torch. We took 5th at State in Forestry where Joshua Rider, a Freshmen, competed with Brooke Broerman, a Senior. Congrats to all our medal winners and team members! It has been a great year!

Lastly, I want to thank Denmark High School administration and parents who have supported us competing this season.

Students in the Engineering Principles class completed their car and attended the annual Formula Student USA race day at Road America in Elkhart Lake. Each student had the opportunity to turn laps at the track throughout the two day event, which included 11 schools from Wisconsin and Upper Michigan. The event was filled with problem-solving, speed, and a ton of fun!! The Tech. Ed. department plans to continue this amazing program and compete each year!!

DENMARK HIGH SCHOOL TRAP TEAM

As the Spring trap season is wrapping up for the year, the Denmark High School Trap team has won its conference for the 6th consecutive year. The team outscored second place Mineral Point by over 4000 points. Other conference teams included Green Bay Preble, Clayton and Modovi. Individually in the conference for males, Carson Schroeder placed second with a 22.2 average and Clint Duescher with a 22 average. Also placing in the top 10 in conference are Dakota Steinhorst, Owen Nys and Christian Kaufman. For females, Ashlyn Schultz placed first with a 19.9 average and Danica Nowak placed 8th.

The team will be sending 28 shooters to the state tournament on June 12 and five members to Nationals in July. Congratulations to Carson Schroeder who shot 50 straight clays and Dane LaBresh, Ethan Schroeder and Clint Duescher who all shot 25 straight clays.

Denmark Viking Trap Spring 2022 25/50 Shooters

We had a very successful "**Bring Your Tractor to School Day**" at Denmark High School. We had 46 tractors in the school parking lot including tractors driven by Ms. Schultz, Mrs. Bielinski, Mr. Kapinos and Mr. Goral. What a great way for our students to see such a wide variety of tractors used in our community on a daily basis. Special thanks to Sophomore Jakob Thyges, for organizing the event and thank you to all farmers for working hard each and every day.

Denmark FFA – More Activities Planned!

Denmark FFA is ready with many more summer service activities for members to participate in! Membership in FFA opens amazing opportunities that shape a lifetime, form lifelong friendships, and gain leadership skills needed for your future. We strive to offer something for everyone!

August 16th - 21st Brown County Fair Food Stand

Greenhouse Plant Sale

Thank you to everyone who came out and supported the plant sale this year! Your support is greatly appreciated. Mark your calendars for next year's sale which will be the Thursday before the Denmark Rummage Sale weekend.

Arbor Day

National Arbor Day is an annual celebration in which people are encouraged to plant and care for trees. Because it is a Wisconsin School Observance day, our chapter wanted to celebrate and teach our 4K students about trees and all things nature. There were four educational and exhilarating stations for the students including a tree coloring station, a tree identification station, a reading of *The Lorax*, and singing and dancing to "Way Up High in an Apple Tree." Denmark FFA members worked with 110 students and provided them applesauce to go with the song they had learned as well as their own trees to plant!

State CDEs @ UW-Madison

The Agronomy CDE team who competed last October at the World Dairy Expo and placed 6th as a team, with Jacob placing 9th individually. At the Fox Valley Technical College contest this past March the team placed 3rd moving on to the state competition. At the state competition on April 29th, the team placed 14th overall and represented Denmark well.

54th Annual Awards Banquet

The annual Denmark FFA banquet was celebrated on Saturday, May 14th. Denmark High School students came together with their friends, family, and advisors to acknowledge their achievements in the FFA program.

The Denmark High School FFA officers presented awards to their fellow members, recognizing students' accomplishments throughout the year for their successes in Career and Leadership Development Event Contests and proficiency awards.

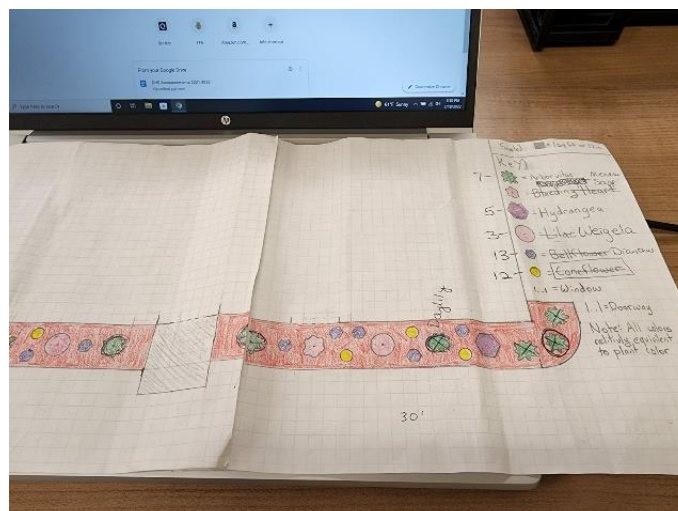

2022-23 FFA Officers

Congratulations to the newly elected Denmark FFA Officers. Eric Allen - Co-President, Jayden Bielinski - Parliamentarian, Morgan Brice - Treasurer, Austin Chervenka - Student Advisor, Daisy Post - Reporter, Kayleigh Scriven - Secretary, Michael Vander Kinter - Vice President, Elisha Vogel - Co-President, and Ivy Wavrunek - Sentinel.

From Concept to Reality

Students in Ms. Handrich's Horticulture class learned the basics of landscape design and installation this year. The Denmark American Legion asked Ms. Handrich if her students would be interested in landscaping the south side of their new building. Students were tasked with learning to take accurate measurements of a landscape area, draw out a plan to scale, select low-maintenance plants to include in their designs, create a price sheet and estimate how much mulch would be needed for the area. One design was selected and was installed the week of May 16th. Thank you to Ivy Trails for giving us a discount on plants and to Dufek Wood products for donating the mulch!

Denmark FFA – The Time is Now!

Denmark FFA is ready with many more summer service activities for members to participate in! Membership in FFA opens amazing opportunities that shape a lifetime, form lifelong friendships, and gain leadership skills needed for your future. We strive to offer something for everyone!

Washington Leadership Conference

FFA members, Eric Allen, Daisy Post, and Jayden Bielinski spent a week in Washington DC for the FFA Washington Leadership Conference. These members earned scholarships that covered the cost of registration and flying to DC for this conference. The Washington Leadership Conference provides FFA members a premier leadership experience while exposing them to the rich history of Washington, D.C. While at the conference members learn how to create a Living to Serve plan to bring back to their home chapters. Any FFA member is eligible to attend WLC along with earning the scholarship to attend.

93rd Wisconsin FFA Convention - Denmark Top Chapter!

Denmark was named the top FFA Chapter out of over 250 chapters in the entire state at the 93rd Wisconsin FFA Convention on June 16th. They ranked 1st in their strengthening Ag program, 2nd in their building communities program, and 3rd in their growing leader's program. Their application will be moved on to the national competition for further evaluation. The Denmark FFA also earned the PRIDE award for increasing our membership by at least 10 members, along with earning the largest membership increase in Section 9.

Eric Allen placed 1st in the Creed Speaking competition. He will represent Wisconsin at the National FFA Convention in October, where he will continue his competition journey.

The parli pro team was one of ten teams to compete in the semi-finals at the State Convention. Team members were tested on their parli pro knowledge through a written exam and then demonstrated how to run an official meeting. The team invested a lot of time in practicing and represented Denmark very well! Team members included Jayden Bielinski, Erin Van Pay, Hannah Nelsen, Mark Wanek, Emma Phillips, Eric Allen, and Ben Lindsley.

Gwen Albers was recognized for placing 1st individually in the Floriculture Career Development Event.

Autumn Kaminski (2021 graduate) placed first in her Landscaping Proficiency award and will be moving on to the National competition.

Lashawna Vogel completed her year of service as the Wisconsin FFA State Reporter. We are proud of all her accomplishments during her FFA career!

Mark Wanek, Leah Phillips, and Hannah Nelsen earned their Wisconsin FFA State Degrees at a formal ceremony on the afternoon of June 15th. This is the highest honor a member can receive from their State Association.

Members, Hannah Nelsen and Luis Salas performed in the FFA Honors Choir; Gwen Albers, Mark Wanek, and Eric Allen performed in the FFA Honors Band. Luis, Hannah. Mark and Gwen have all been nominated to perform in the National Choir and Band this year. Mark was also named a 3 Star Leader which is given to less than 60 students each year.

FFA members were also recognized for their outstanding SAEs through proficiency awards. These members were presented with monetary awards of varying amounts based on their final placings.

Erin Van Pay - 2nd Gold Agricultural Communications
Elisha Vogel - 3rd Gold Agricultural Communications
Lashawna Vogel - 3rd Agricultural Education
Mark Wanek - 4th Gold Agricultural Education
Leah Phillips 9th Gold Agricultural Education
Emma Phillips 7th Gold Agricultural Processing
Dylan Propson - 3rd Gold Agricultural Services
Lexy Nowak - 4th Gold Beef Production
Eric Allen - 14th Gold Diversified Livestock
Lexy Nowak - 9th Gold Equine Science
Gwen Albers - 9th Gold Food Service
Autumn Kaminski - 1st Gold Landscape Management
Sophis Heidl - 2nd Gold Nursery Operations
Michael Vander Kinter - 11th Gold Swine Production

School Orchard

Thanks to Brian Wojta and the many generous sponsors of our NEW school orchard! The idea of having a school orchard began a couple of years ago with the planting of several fruit trees in our District Nature Center. That has now grown to over 55 trees, which were recently planted in the farm field directly behind the Nature Center. A variety of fruit trees (peaches, prunes, apples, nectarines, and cherries) were planted the week of May 9th. Students in middle school and high school were involved in the planting. The future of the orchard included numerous opportunities for students in grades 4K-12 to learn about apples, pruning, and care of fruit trees. The next step will be to have grass planted around the trees. A BIG thank you goes out to Brian Wojta for planning the entire project, getting the trees donated, mapping out the field and so much more!

DENMARK HIGH SCHOOL BAND HIGHLIGHTS

The DHS Bands presented their Spring Concert on Monday, May 16th. The program featured a variety of exciting and challenging music for both the concert band and symphonic band, including a jazz concerto "Rhapsody in Blue", featuring senior piano soloist Isabella Kafka. Students were recognized for their efforts throughout the year with a number of awards, including Pep Band All Star, The Ragnar Award, Most Improved Players, and Outstanding Section. Several seniors were recognized with national awards for their excellence in band: Grace Blakeslee - Semper Fidelis Award; Mark Wanek - Louis Armstrong Jazz Award; Isabella Kafka - John Philip Sousa Band Award. DHS is very proud of the efforts of all of these band students, and will especially miss the leadership shown by the DHS Band Class of 2022!

The DHS Band proudly and boldly withstood the rain to perform in both the parade and commemorative ceremony for the Loyalty Day celebration in Denmark on Saturday, April 30th. The marching unit was awarded "Best School or Scout Group" in the parade. All of the students showed incredible grit and professionalism with two high quality performances under adverse conditions and represented both DHS and the Denmark community very well!

DHS Band students traveled to the newly renovated Bradley Symphony Center to see a live performance of the Milwaukee Symphony Orchestra on May 14th.

Several members of the DHS Band volunteered to come together in support of our varsity girls soccer team by providing pregame pep band music along with a live performance of the National Anthem on April 28th and May 17th.

DHS Band students traveled to the Kohl Center in Madison on April 22nd to see a live performance of the UW-Madison Varsity Band Concert, in which several DHS Alumni were performing.

DHS Jazz Band members participated in the UWGB Jazz Festival on March 26th. They performed for and received coaching from several jazz professionals in the area. They also performed in concert for all of the festival participants and attended the evening headliner concert featuring Grammy award winning tenor saxophonist Joe Lovano.

Members of the DHS Band paid tribute to the veterans in our community by performing the National Anthem at the Denmark Memorial Day ceremony at Memorial Park on May 30th. Senior Sydney Rabas performed Taps.

High School Staff Retirements

This June, Denmark High School students and staff said good-bye to two long time employees: Cathy VanHerwynen and Lynne Marcussen.

For 30 years, Cathy was the face that greeted students in the Denmark High School Student Services Office. We will miss her smile and her sense of humor every day.

Lynne Marcussen is retiring after 32.5 years in the district. Most will remember Lynne as the kind person in the library who helped students check out books. We will miss her friendly face and willingness to help.

Fay Lau retired earlier this year after 23 years as a high school paraprofessional. Fay was always willing to help students in any way needed. We said good-bye to her mid-year and continue to wish her the best.

Thank you to Cathy, Lynne and Fay for everything you have done for the students and staff in our district! We will miss you!

NEWS FROM FOOD SERVICE

Thank You ALL for your participation in the School Meal Program this past year.
